Reference Number	Additional Concerns
138	....to be on motorbikes
OL275	1. Build respect for the police in the youngsters of Gibraltar. 2. Enforce Gibraltar's laws on the influx of Spanish looking to smuggle tobacco across the border.
OL574	1. Drivers using mobile phones; 2. People spitting in streets and public areas; 3. Bicycles on footpaths; 4. Drivers (cars, motorbikes and cyclists) ignoring no-turn signs; 5. Motorcycles and bicycles ignoring traffic signals.. ...Am I the only one who sees these offences being committed again and again? I appreciate the Police cannot give 100% of their attention to everything but you'd think they would do something about it when the offence is committed in their presence. Many a time have I seen cyclists on footpaths and the Officer MOVE OUT OF THE CYCLISTS WAY! Or walk right past someone who's spat on the ground. Have all these offences been written out of the local Laws?
OL337	1. There are still many under sixteens obtaining alcohol and tabacco. and they are not being challenged. 2. Some bar/discos are letting under ages go in, in order to fill in the place.
463	1. traffic violations 2. antisocial behaviour
493	address the issues surrounding road accidents more
OL270	Additional Concerns are that RGP are not Doing enough to stop illegal Fishing and providing security in British Gibraltar Territorial Water's Laws are bieng Broken at sea and nothing is done.....

OL486	amount of drugs sold in glacis estate
278	ANTI SOCIAL BEHABIOUR

83	anti soicla behaviour
415	ANTISOCIAL BEHAVIOUR
10	anto-social behaviour, vandalism
101	are black number plates on the back of cars legal?
OL245	As a female Gibraltarian my concern for women's and children's safety in Gibraltar is not the at the same level it was several years ago. The influx of foreign visitors in Gibraltar is of major concern. For example, When I go to dispose of refuse in the estate bins I am always confronted with several men hidden in the alley ways and I feel threatened and unsafe. Recently we have had several reports of child abductors and sexual offences being around / committed in Gibraltar and I as woman no longer feel safe. The police presence is not something which offers confidence as I hardly see them. Please police all areas as I feel the sentiment that we are 'safe in Gib' Is no longer relevant and is definitely not the case. These people come commit offences then disappear. Times have changed and the level of policing needs to be upped in order to offer protection to the people of Gibraltar.
OL305	Bars in Ocean Village playing loud music after midnight
OL570	Better controls at the frontier. I am amazed at the queue barging of cars without permits who drive through the pedestrian queue to join the car queue (on the Gib side). I see this happen regularly in broad daylight and in plain sight of many police in the area. It shows Gibraltar in a poor light when this is allowed to happen.
OL442	Biggest concern is vehicles not stopping at traffic light pedestrian crossings! Red = new green!

Reference Number	Additional Concerns
OL551	Border fluidity. The removal of the cycle lane at the border creates delays for cyclists. Although the bottle neck is the Guardia Civil, 9 times out of 10 they aren't checking cyclists at all, and they just go straight through. The removal of the lane on the Gibraltar side now means cyclists have to wait whilst motorbikes are being checked. But the biggest issue is inconsistency. Sometimes during long motorbike queues, the RGP allow cyclists to the front of the queue, other days you are arrested for attempting it. There needs to be a definitive policy regarding cyclists at the border.
320	border queues - police should be more involved
324	border queues and the handling of cars in the queue, especially when changing from 2 to 6 lanes
202	bullying and harrasment

389	CHECKING ON ELDERLY PERSONS LIVING ALONE
263	clamp down on dog fouling. It is rampant and disgusting
432	corruption
OL344	Cyclist infrastructure.
OL283	Daily incursions from Spanish state vessels and fishing vessels who break Gibraltar laws daily, security is lacking on both western beach and especially on the airport runway with daily tobacco smuggling on both these areas and other areas in Gibraltar, we need more cctv cameras and patrols in hot spot areas including the upper rock. We also need on the spot fines for foreign vehicles who also break the law on our roads.
161	DANGEROUS AND IRRESPONSIBLE DRIVING OF MOTORCYCLISTS
474	dangerous driving
528	DANGEROUS DRIVING
413	DEALING MORE EFFECTIVELY WITH TOBACCO ACTIVITIES IN THE ESTATES

OL432	Enforcement and reinforcement of rules against pollution, be it littering or noise pollution by traffic and/or establishments. Noise is a big problem in Gibraltar, and so is litter. If we're not careful, Gibraltar will end up being a dirty, noisy place - not desirable.
OL322	Enforcement of the law in BTW Stopping spaniards stuffing their cars with tobacco around Gibraltar and leaving rubbish all over the place On the spot fines for foreigners
OL582	enforcing existing laws with actual penalties
OL251	Estates such as Laguna Estate are very poorly policed the spanish registered cars and mopeds break the law daily and a nasty accident is waiting to happen the manner in which this persons drive in and around the estate is totally unacceptable and with so many children out and about we might all very soon be saying to ourselves this could have been avoided the npu4 however when they are not sent somewhere else do a good job and that needs to continue and is a great initiative the only problem is that they need to be here daily and not sent to different areas like traffic when we have frontier delays they do what they can but on many occasions they are sent to do other things the npu4 is a great idea but must be committed to the district especially with the so many shops in this area selling cigs. NPU4 Keep it up when you can!!!!!!
72	excessive noise from motrobikes still not tackled
OL257	Excessive number of dogs allowed per household.The Health and sanitary problems associated with dog fouling should be re-enforced by more aggressive policing. OL487	Housing Estates need to be addressed with a view of having more visible Policing not just an office which at time is a bit out of the way they need to be interacting with the residents of estates. also dog fouling need to be policed in the early hours of the morning.
111	housing estet community constables should be increased and more publicised
383	HOW TO REDUCE THE TURNOVER WITHIN THE FORCE.
OL381	I believe that the anarchic state of foreign vehicle and driver attitudes must be addressed. Illegal parking, damage to Gibraltar's infrastructure (paving, bollards and access to parking) must all be rigorously addressed and I do not see this happening. Greater use of clamping ALL vehicles that break the law with rigorous policing on this will avert damage to infrastructure, damage to vehicles, aggressive behaviour with individuals and injuries to pedestrians and other road users.

Reference Number	Additional Concerns
OL345	I don't feel that nearly enough is done to control bad and dangerous driving around Gibraltar. Dangerous and illegal scooter driving appears to be completely acceptable, even in the presence of RGP cars.
447	I feel we are not very well covered at our beaches, like say at night. Although I know this is a concern of me, maybe not the case
90	I personally feel the amount of time and money involved in the tobacco is immoral as it is spains responsibility and.....if it can be bought free in any amount why control people from doing what they want. Let the spanish do the job
288	I THINK DOMESTIC VIOLENCE IS ALREADY COVERED. DEFINITELY, SPEED OF MOBILITY VEHICLES BY SOME IN TOWN AREA

750	in refercne to gib security we are safe and shpould keep our stance of being british

OL600	It would be good to introduce a taxation for a dog's owners.
372	KEEPING GIBRALTAR CLEAN
OL261	I think that they should do more rounds through night time in th estates
OL228	Laws seem to need to be followed only by local residents. Spanish registered cars, bikes and boats do as they please. Police need on the spot fines, more powers and they need to make us feel safe in our home. At the moment that is not happening, I personally won't even take my boat out! They are also meant to prevent crime, by hiding and catching people in the act they are not preventing this. Fair enough thy are catching a lot of people breaking the law, but it would be a lot better if they prevented this from happening. Police should also get more involved in helping prevent animal abuse and child abuse as the way these are at the moment is really appalling.

Reference Number	Additional Concerns
OL267	Maybe this has nothing to do with the police, but im concerned with the road leading from Brympton estate to the Old Naval Hospital, there are no pavements whatsoever, and its really, really dangerous to walk through that area, there is not even room for two trucks or buses to pass at the same time. When the bus stops opposite Windmill Hill road the people have to get down from the bus onto the road as there is no pavement to get on to u can imagine people with prams. Its about time that some priority should be taken on that road before something serious happens.
OL427	maybe you should consider keeping an eye out for the hundreds of "matuteros and matuteras" packing their cars with tobacco in gibraltar public areas instead of concentrating so much on petty things such as a kid with a reefa. it makes you pretty pathetic to be honest

Reference Number	Additional Concerns
OL459	The deployment of resources should be more evident on the streets. I rarely if ever see officers walking the beat or Main Street, which was once a priority. Officers seem to be a novelty if seen in Main Street and on those rare occasions it seems they are on private errands rather than doing their jobs

195	THE NEW COMMONWEALTH PARK WILL BE A CONCERN. DANGEROUS DOG BREEDS SHOULD BE BANNED

OL295	The only time I see the police is at the border. The HEO's seem to be doing all the police jobs now. I think the police should be doing the school crossings instead of the HEO's, it is an ideal time for the police to converse with parents and children.
OL492	The RGP should be given more powers to be able to effectively fulfil their primary role of maintaining and enforcing "law and order!"
OL377	The smuggling activity in public/housing estates, and the Gibraltar Police's lack of concern/action taken in respect of tobacco carton/plastic littering.

OL535	the tobacco smugglers at the rotunda and the parking lot are almost unbearable-they scare me getting in and off the bus and I wish it would stop-they are also the people making the frontier so stuffed whenever they parade almost in front of the guardia acting like that
OL408	The tobacco smuggling is very much ignored when it comes to the Spanish people. I'm sure if most of those people would be local, it would have been dealt with a long time ago... Lack of balls if you ask me!
OL307	The Truth is no one is interested in the force! Leadership is in need of leadership. The men on the ground have little or no knowledge of the law. And I am filling this in just so I can read in the paper what a wonderful job they are doing (we all wished).
65	the use of CCTV on some roads eg Bishop Caruana Road and motorbikes exhausts noisy
OL225	There are still massive problems with parking in Gib, especially Waterport Road. Also noise levels in Ocean Village at night.
OL241	There is a lot of begging in Casemates Square and there should be a Police Officer there during the day as it's very embarrassing to see them putting a container under your noses to beg for money, also there is a group who occupy the benches also there who are drinking all day and very noisy and would also like the Police to tackle the Spaniards in every corner in Gibraltar to conceal tobacco in their bodies and expose themselves to the public and when you call the Police they say they are busy, all this is giving Gibraltar a bad name and that the Spaniards and others should be fined on the spot as they go away and don't pay fines and also for the Police to be given orders from above to arrest those that fish in our waters with illegal methods, if the RN tackles the GC then they can do their job properly as the law is there to be respected by everyone and not one law for the Gibraltarians and another for the Spaniards,
398	there perhaps should be more police presence at the frontier to stop tobacco smuggling

Reference Number	Additional Concerns
747	they are too focused on young people aged 16-17 drinking but there is a major problem with 13-15 year olds drinking

OL370	To deter tobacco smugglers from concealing tobacco inside their cars and mopeds in known hot spots. This causes an unnecessary large amount of rubbish in the streets and creates a bad reputation for Gibraltar. More surveillance patrols are needed around the clock and fines introduced where appropriate that will help pay for the extra police.

Reference Number	Additional Concerns
294	TOBACCO SMUGGLING IS OUT OF CONTROL AND CONSEQUENCES WILL BE SERIOUS
OL300	Tougher actions taken to control motorcycle usage in regard to speed limits, overtaking anywhere, criss-crossing in/out of other vehicles, lack of indicator use, traffic lights control. Lack of Police presence or willingness to patrol the roads are to blame for these matters
OL434	tougher laws for drug offenders and people selling drugs Gibraltar been such a small place don't we all know someone who sells drugs??controlling the Romanians coming into gib they are up and down mains st asking for money and in private estates going through the rubbish bin areas from 5 o'clock in the morning my young daughter isn't allowed to throw the rubbish shes scared
97	traffic control consistently
OL315	Traffic is dangerous in many places because of inconsiderate and illegal parking. One example is at the top of Naval Hospital Hill, where cars are often parked at the top of the hill, which means that a car turning from Europa Road cannot take the turn easily and is exposed to traffic coming up the hill. Also Europa Rd from Mount Rd to the gymnasium narrows to an extent that buses and lorries cannot pass each other and pedestrians are in extreme danger. The road needs to be widened, and I believe provision was made for this in the past, but it was never done. There are many other examples, and a detailed review of the subject is urgently needed.
OL481	Traffic offences are being committed far too often on our roads and what worries me most is that many of these offences are being committed by adults and NOT necessarily all by youths. There is a lot of focus on youth which is understandable but very little done to educate the not so young who take advantage of this. This includes failure to indicate, wrong turnings, no entry and dangerous driving
OL231	Training should be given to the police on handling traffic, as more often than not, at busy times (8:30-9:00 and 17:00 onwards) the traffic moves more freely when there is NO police control! Most of the time the police officer makes it worse!

298	telephoned and never came
307	it happened in the border area where it has become common place
313	OLD DRINKING MAN, NOT WORTH TIME OF POLICE, BETTER THINGS TO DO
321	I consider dog fouling an anti-social behaviour. This is an area where reinforcement is much needed
330	when I see trouble, I walk away
338	because they are more concerned about stopping learners on the bikes
355	BORDER ISSUES. TOBACCO SMUGGLING, SPANISH NATIONALS
369	TOOK TOO LONG, DISTURBANCE, ANIMAL CRUELTY. TOOK THE POLICE 45 MINS TO ATTEND THE MATTER AT WHICH TIME THE CULPRIT HAD LEFT
373	SPANISH NATIONALS WERE SEEN IN THE LANDPORT PARKING STUFFING CARTONS OF TOBACCO IN THEIR VEHICLES. POLICE WERE CALLED AND DID NOT COME TO CHECK THIS OUT AND MOVE INDIVIDUALS ALONG

Reference Number	If you were a victim of a crime and you did not report it to the RGP, Why not?
389	IN THE CASE OF BURGLARY I HAVE NO IDEA OF WHO IT COULD HAVE BEEN, MY MOTHER SUFFERING DEMENTIA AND IT ALONE IN THE HOUSE FOR PART OF THE DAY. MONEY AND JEWELLERY DISAPPEARED.
402	ensuring I have maximum security at home
415	AT THIS MOMENT IN TIME THE POLICE IS DEALING WITH THE SITUATION IN A SATISFACTORY MANNER.
425	for me antisocial behaviour is the aggressive driving on gib roads
430	I felt the police would not have done ucheffort to find them, it was racial abuse from some teenagers
432	it was during chritsmas and other people were drunk
437	NOT GIVEN SUFFICIENT IMPORTANCE - NOT ENOUGH INTEREST SHOWN
451	no information was given as to the outcome of the crime
468	incorrect approach and lack of common sense in some occasions. Sometimes even lack of professionalism and authority. I feel that this must be exercised according to the law of gibraltar on the level of the offense and not to harrass law abiding citicens for trivial matters
470	because I thought that was something too small to involve the police
476	because I really didn't think it was important
477	used to it
489	it wasn't such a bother
495	didn't feel the need to contact the RGP as the situation was under control
497	never really been a victim of the crimes mentioned above
498	I havent experienced any of the above
505	it wasn't that big of a deal.. I talked to my parents about it
596	i was scared of the consequences
603	I have been a victim
619	as I didn't feel it was necessary
640	I have not been a witness of antisocial behaviour
643	it was homophobic behaviour which the police does not take seriously
647	BECAUSE I HAVE NOT BEEN A VICTIM OF ANY OF THE THREE, HOWEVER IF IT DID HAPPEN I WOULD CALL THE POLICE AS THEY ARE RELIABLE IN THESE TYPES OF SCENARIOS
648	BECAUSE I DIDNT WANT TO BE INVOLVED WITH THE POLICE
651	RGP ENSURE EVERYTHING IS CALM
654	FEAR OF POLICE CORRUPTION
694	POLICE DONT DO ANYTHING
716	UNRELIABLE, NO PROPER GIVEN, NO IMPORTANCE EMPHASISED
722	because I havent seen/been a witness
738	the offence was not transcendental
739	there is alwaysanti social behaviour and little that can done after it happens
740	it depends on the case, I would only report if it was a serious matter not only a small situation
741	its just banter (I hope)
742	didn't want to get involved
746	no, I felt like it wasn't a really big crime so the police didn't prioritise it
751	I have not been a victim to any crime because if I would, I would have called the police
755	they are useless and im not going to complain about antisocial behaviouram now?
759	no action was taken and it has happened again so they havent done much about it
760	because I don't get involved
761	because I don't get involved in any antisocial behaviours/crimes
762	because I have not found myself in any those situations as gibraltar is relatively safe
763	ive never been a victim because I am aware of the dangerous and I don't get involved in any crimes
OL225	Waited on my balcony for over 45mins and saw no police presence.
OL231	The policeman advised that this was Gibraltar and that this kind of thing happened - he had no control over it
OL233	It was a minor offence not worth reporting.
OL245	It was not of serious concern to involve the police just a common dispute which did not involve myself, it was witnessed.

Reference Number	If you were a victim of a crime and you did not report it to the RGP, Why not?
OL255	its a case of by the time u get there the culprits have gone, people sitting on my bike or car whilst hiding tobacco
OL257	Impossible to identify speeding cars playing loud music.
OL259	it stopped when addressed.
OL263	Not forceful enough and not knowledgeable about the law and their powers.
OL269	No action taken
OL282	Minor incident and let it pass
OL284	dealt with it myself when working in a bar
OL287	Because I felt that the police wouldn't have done anything. However, I have reported a woman in the town area who regularly 'loses the plot' shouting and banging, the officer wasn't able to find her. Neighbours didn't seem to inform the authorities either... so the problem continued on a regular basis.
OL293	I had the situation where ambulance came for hubby the car behind would not move back so they could get a stretcher out to transfer hubby having fit from chair to stretcher and it was endangering my hubby in status epilepticus. Car driver was abusive and to the ambulance men and to me and my son. I called police and they arrived too late, my son waited for the police the car left. There was no come back to me - I had to call police station twice for an update and in the end took the matter up with community constable who assured me they would speak to the owner of the car and the driver. I am still scared tat one day this behaviour will result in my hubby dying due to delay of treatment. The ambulance staff confirmed it happens all the time!
OL296	The Police know the problem but do not tackle it. Rosia Bay is now a no go area for me and family
OL300	I do not believe the Police have the resources to man every road to avoid the total motorcycle mayhem with continued disregard to speed limits, overtaking anywhere/anytime, cris-crossing in/out of other vehicles without regard to safety, no use of indicators, traffic lights as if they did not exist, pedestrians & cyclist safety not considered etc etc etc. Police are never present to control these matters.
OL305	it was only post need not seem worth it
OL307	Because nothing was done and there was no interest in the complaint being made, waste of time making the report.
OL310	As explained in an earlier question anti social behaviour in the vicinity of the kids play park whereby teenagers are vandalising the park attractions and making excessive noise after 23:00 and if you ask politely to keep the noise down you tend to get abusive replies.
OL312	Although the behaviour was anti-social, it might not meet the criminal standard.
OL316	Referred to the private estate management.
OL318	sensible don't get drunk all the time
OL330	The police have failed to respond to or follow-up complaints made on several occasions, failed to handle issues professionally and impartially, and failed to act when bail restrictions implemented to protect us have been broken.
OL337	I am 45yrs old and avoid this everytime I can.
OL343	Was dealt with personally as it had to be treated delicately due to the fact that these people live in and around our home
OL345	It was driving related and the RGP do not seem to treat that seriously.
OL357	loud noises from neighbours not a priority for police in private estates. if not a criminal offence police not interested.
OL362	no point. driving related. RGP is mostly inadequate in improving quality of driving, improving traffic flov or even worse penalize (not telling off) offenders of disrespectful driving.
OL376	Was committedby teenagers who do not like anyone other than Gibraltarians.
OL378	One step removed from the problem which didn't affect me directly
OL381	I dealt with the matter personally because I had no confidence in the response time and needed to make the other individual aware of his personal responsibilities. Aggressive behaviour of the sort I encountered needed a direct and immediate response. The aggression was from a Spanish registered vehicle and was in October of 2013. My personal view and hearing verbatim comments from others is that this is a typical problem, not only with Spannish but all road users.
OL384	Because i am a law abidding citizen

Reference Number	If you were a victim of a crime and you did not report it to the RGP, Why not?
OL395	It would not be possible for the police to respond effectively to stop the activity
OL400	Not updated regularly with developments of the case.
OL410	what's the point?
OL429	abuse came from ex rgp officer
OL432	The police came round various times following reports on the same issue, having to repeat the story, taking the same statements. Also nothing was done, the police was too soft. The neighbours who were the "culprits" are still at their business to this day - except we moved.
OL434	it was the police who shouted at me when I was going to ask him something by the frontier queue in the old airport area he didn't give me a chance he later told me he was stressed cause of the queue but I made a complaint if he cant work under tension he is in the wrong job
OL446	The verbal abuse and anti-social behaviour came from Spanish cigarette smugglers. They have lookouts so disappear very quickly if it is suspected the RGP are en route !! Not much point in reporting.
OL447	Very weak response to any asbo issues by RGP
OL456	You get used to the kids being rude.
OL463	Didn't find it significant enough to do so and didn't want to cause trouble for fear of repercussions
OL471	Still waiting
OL481	This involved a theft/anti-social behaviour and although it was a petty crime when reported to the police the officer said that nothing could be done about it as there was no proof or witness. This was in fact not correct as a few other investigations could have benn made. The incident was perhaps deemed insufficiently important to the officer
OL490	They did not response to my report as efficiently I would have expected
OL511	THEY DO NOT CARE
OL519	The driver of the car was in a Spanish plated car, by the time I would have reached a police officer the car would have cleared the frontier area.
OL523	Don't think that police would do anything about it
OL530	Because it's family problems and police never helped in past
OL533	because you dnt tend to bother enough and are "too busy" doing other things
OL535	besause they rae aware of the situation and the people actually just shouted a bit towards me
OL542	The officer could barely construct an understandable sentence in coherent English, let alone take a statement from me... I consequently gave up out of pure boredom with how the officer handled the simple scenario of courtesy and showing respect to a VICTIM no less...
OL547	Because nothing is done by RGP and even when the police turn up it's too late and the anti-social behaviour is not there some considerable time after reporting it.
OL557	no real concern and not really interested
OL563	No follow up information given after crime secene investigation
OL564	Taxi drivers are generally a rude breed and are known for their lack of road manners. If i have to report every incident i had with them when on my bicycle, the RGP would have a permanent block on my phone number!!!
OL571	i am a family man, keep myself to myself, but i feel very safe living in Gibraltar and the Police do an excellent job. I feel safe for any member of my family to be out in the day or night time.
OL572	Because it was from smugglers on easter beach and there seems to be no point.
OL574	Vide 2. What would have been the point?
OL575	Did not feel it was important enough to report
OL581	because it had nothing to do with me it was a friend that was having the problem and when the police arrived my friend asked me to explain the situation with which i did not want to get involved in the police man that came asked me to tell him what went on so i did, then the police officer involved turned on me and threatened to arrest me which everyone around was really stunned because they knew i had nothing to do with the problem as i sat quite all the time this was going on so i have very little faith in the law in gibraltar (i have lived here in gibraltar since 2008 and i have never been in trouble with the police) because of this situation i was put in by the police officer that attended i took his number and said i would report him and his response was that he would say that i had said things about the gibraltarians which the only comment i made was there was a rule for gibraltarians and a rule for the non gibraltarians which means he can let the gibraltarians off and arrest me for doing nothing where is the fairness in that when the police officer asked me to explain what had gone on.

Reference Number	If you were a victim of a crime and you did not report it to the RGP, Why not?
OL583	Managed the situation without the need to call
OL585	No point as the perpetrators were drunken LOCAL youths
OL587	because its low level and happens often. eg road rage eve when one politely points out lack of basic courtesy such as blocking the road when the blockage could easily have been avoided..taxi unloading, stopping to have a chat, dust carts etc. the lack of common courtesy to even at least acknowledge the inconvenience by a simple thank you is staggering.
OL597	Because there is no point in reporting abuses by the RGP to the RGP. And the GPA is a joke. Very unprofessional and biased in favour of the RGP
OL602	The policeman just shrugged me off and did nothing.

Reference Number	If you were a witness to a crime and you did not report it, why not?
10	as above
13	police were called by someone else and were on the scene promptly
16	police were already on the scene, patiently dealing with a drunk man who was rude and abusive to the officers and passers by
17	parking spanish cars with tobacco at morrisons and elsewhere
33	as said above, the police in laguna stand opposite the shop looking and te spanish ppl carry on doing their business anti social behaviour and the police does nothing
35	at border
40	I witnessed how a man was physically abused by another man..the police was called. When he arrived he dealt with the situation. However secret services (mr reyes) passed by and intervened! He made the police officer to take the innocent man to the police station and have his charged for assault. that was never the police officers intention. i suppose mr reyes does not like this guy
54	handled by company management
63	minor e.g littering, shouting underage drinking
67	it is a daily occurrence when school children are out of school "west view park"
71	neighbourhood policing teams are invisible
74	a neighbour had reported this in many occasions and still nothing done. People playing in westview park hours after it closes until the early hours of the mornign at weekends
84	did not think that any involvement was required or that it would make a difference
90	it was a minor problem to get the police involved
92	if you include the way bikers drive on the roads then the answer is yes
95	because I didn't think it was that serious
116	no action required
117	it was a racist remark to a young guest in our house from a 9 year old neighbour and we dealt with it ourselves
120	the officer at the time seems unconcerned but paid a lot of attention on the younger woman
127	you do not follow incident properly
133	see above
141	apart from crime watch I havenet seen any suspicious act around the estate
162	I SPOKE TO THE INDIVIDUALS
190	SOMEONE ELSE ACTED
202	SOMEBODY ELSE REPORTED IT
227	no comment nothing to say
229	anti social behaviour on a Friday night is common on main street not worth reporting - police need to patrol more to curb it
248	relating to the theft of a mobile phone I felt the police didn't take the victim seriously and there was no follow up
259	scared to get involved
262	police present at that time
278	POLICE RESPONSE WAS SLOW THEREFORE BY THE TIME OFFICERS TURNED UP THE INCIDENT WAS OVER OR THE CULPRITS HAD LEFT THE AREA
283	IT WAS ALREADY REPORTED. POLICE TOOK A LONG TIME TO ARRIVE AND WHEN THEY DID THE CULPRITS HAD ALREADY LEFT
289	DID NOT FEEL I HAD THE TIME TO SPARE
293	DIDNT THINK IT WAS NECESSARY AND IN THIS OCASSION THEY HAD ALREADY BEEN CALLED
307	as in 3c above. Unsavoury characters at the border area have practically taken control
313	I THINK POLICE HAVE BETTER THINGS TO DO
320	I didn't make the report but acted as a witness

Reference Number	If you were a witness to a crime and you did not report it, why not?
324	because I felt intimidated
330	if I see such an event, I would take matters into my own hands
336	frequent traffic violations of youth on motor bikes going in the wrong direction, particularly in town centre. Reported in the past and behaviour still evident
338	same as above. Nothing gets done
341	I don't know because before I could report to the police, they had already reported and I left the place as soon as police was handling it
370	ON 3 OCCASIONS I HAVE REPORTED YOUTHS CLIMBING INTO THE PARK AT WESTSIDE AT NIGHT. THE POLICE ARRIVE AND ASK THEM TO MOVE ON AND THEY DO. NO NAMES ARE TAKEN AND THEY ARE BACK A FEW DAYS LATER. I HAVE GIVEN UP ON CALLING NOW.
371	FELT THAT IT WOULD BE KNOWN THAT I HAD CALLED THE POLICE. HOWEVER I FEEL THERE ARE NOT ENOUGH POLICE OFFICERS IN THE STREETS. THEY NEED TO BE VISIBLE. WE SHOULD HAVE MORE POLICE POSTS ACCESS GIBRALTAR ESPECIALLY IN PUBLIC AREAS
389	ABUSE AND ANTI-SOCIAL BEHAVIOUR IS AN EVERYDAY OCCURENCE IN THE UPPER TOWN, UNLESS ITS ESPECIALLY BAD ONE CANNOT KEEP CALLING THE POLICE EVERYDAY
402	haven't had anyone close to being abused/burgled
425	I constantly point out to the police at meetings etc. the dangerous driving on our roads
431	they had no clue, I had to direct them
443	because antisocial behaviour is not always reported i.e. not a fault of the police
444	mainly by motorbike users, who are aggressive on the road disregard traffic rules and park anywhere
457	WELL I THINK SMUGGLING AT 3 O'CLOCK IN THE AFTERNOON IS NOT RIGHT. SURELY POLICE SHOULD BE PATROLLING THE BEACHES
463	because believe it would be a waste of time knowing there is no real enforcement of laws
464	because they did nothing
468	most of the times I have been satisfied on the quick response and the way it has been handled. Other times I have not been satisfied. Perhaps the law must be changed in Gibraltar in relation to antisocial behaviour
470	because someone already reported it to the police
471	it was not such a big deal and the person was not very affected by it
475	they didn't do anything or give an apology to the person and they were very rude
476	the woman who received verbal abuse reported it herself
495	the police were contacted by someone else
497	because the police would just come and calm everyone down and leave the situation will continue when the police leave
498	the police misunderstood the situation, and took up the victim to the station
508	because we were able to handle the situation then and stop the fight so it was not necessarily for the police to be called in that situation
509	police were stopping the fight already
513	AS IT WAS STOPPED
530	IT WAS 2 BOUNCERS SCOUTING AT A YOUTH OUTSIDE A PARTY
535	I COULDN'T AS I DIDN'T WITNESS IT FROM THE BEGINNING
606	as I was in a crowd of people, I thought someone else would report the crime to the police
609	police were there straight away on a Friday night
610	police were there
625	because another witness had already gone forward
639	because it was a minor thing
641	saw someone throwing stones

Reference Number	If you were a witness to a crime and you did not report it, why not?
646	it is not my business. Did not want to get involved
648	DIDNT WANT TO GET INVOLVED
651	GOOD USE OF NEIGHBOURHOOD POLICE TEAMS
675	POLICE WERE ALREADY THERE TO DEAL WITH IT
707	BECAUSE IT WASNT A MAJOR PROBLEM
709	I DOUBT THERE IS A FORM OF DEALING WITH THE SPANIARDS AT THE FRONTIER GOBBING ON THE STREET
710	THEY WERE FRIDAY NIGHT FIGHTS BETWEEN TWO GIRLS AND I DIDNT THINK MUCH OF IT
714	THE POLICE AREASY RESPONDED TO THE FIGHT
721	someone already called the police
727	police were on the way
729	someone else reported it
731	someone else reported it
738	same reason as above
739	difficult to get involved in problems that are not yours
740	I think it should be up to the invdividual not me
742	ddidnt want to get involved
747	it was a violent fight on a night out and was handed by police
749	rubbish at the frontier/devils tower road area, occurs on daily basis, did not expect anything to be done in response, please address this problem!
750	it may a bit ..and they didn't investigate
755	not my problem
756	because the physical abouse was stopped by security guards
758	because someone else did
759	I didn't want get involved in case I got in trouble
760	because police were already present
761	because he police were already present
762	same as pc
763	because the police was already in the area and someone else had already reported it
OL225	No police presence after 45 mins.
OL226	Police don't even bother to show up to reports any more
OL234	Because reporting littering and bad driving will get nowhere with the Gibraltar police because they simply don't care.
OL245	Same as before
OL255	same as before
OL263	Have in past and been unimpressed with handling of situation.
OL269	unable to identify perputrator
OL271	If you call police in the end if the person lives near you you end up having probs with them.
OL284	see number 3
OL287	The person was not located in the town area even though she was causing a public disturbance and frightening her child(ren).
OL293	At the moment it seems the police do not follow up on any report unless you push for it. I reported police verbal abuse to a man - they did not come back to me and then after 10 months the man asked me to be a witness for him in court. I did not have to testfiy as I was waiting at court and told prosecutor that I hoped he had my 199 call about the policeman's behaviour and that I had all my information with me including what rules he had broken - case was dismissed. But this shows me abuse of power is not taking seriously by the police if it is one of their own.
OL296	see previous page

Reference Number	If you were a witness to a crime and you did not report it, why not?
OL300	I do not believe the Police have the resources to man every road to avoid the total motorcycle mayhem with continued disregard to speed limits, overtaking anywhere/anytime, criss-crossing in/out of other vehicles without regard to safety, no use of indicators, traffic lights as if they did not exist, pedestrians & cyclist safety not considered etc etc etc. Police are never present to control these matters.
OL307	The police were present most of the time, they were not interested, and their only interest was looking good!
OL310	same as for Q's 2-3
OL318	too much corruption, how can a population of 30,000 have independence when dealing with crime.
OL324	Police were on scene and did not need a report.
OL328	It was in the Nat West Bank. Customer upset cash machine was not working. Gone before anybody could do anything
OL330	We reported abuse from a person who has bail restrictions not to approach us. Officers said they could only speak to the person but could not take any action - despite there being an independent witness to the abuse. Officers then failed even to return and speak to person.
OL337	Have not seen any of this behaviours.
OL362	no point
OL381	The abuse and personal grief to the individuals continues with significant effect on the child involved and also the parents who are attacked with verbal and physical abuse and threats.
OL384	Because I haven't witnessed any of the above
OL395	It would not be possible for the police to respond quickly enough to prevent the activity.
OL427	because you don't do anything right
OL429	did not believe anything would be done
OL443	Spanish registered vehicle drove off
OL446	Ditto 3c
OL447	Weak response to any call about ASBO issue.
OL449	didn't attend themselves, informed the security guard, but they took a long time to attend.
OL457	officers had little knowledge of what to do and showed little interest in dealing with the matter
OL459	I have witnessed anti-social behaviour and on reporting the matter to Police this was ignored. I have also witnessed a Burglary and on reporting the matter to Police found that they pussyfooted their way around and were unable to deal with the matter in a professional manner, in fact the matter had to be dealt with in a completely different way as the officers attending had absolutely no clue and no interest.
OL463	Again for fear of repercussion
OL471	Still waiting
OL479	If I had called to say some people I don't know were doing such and such to some other people I don't know or in a place I don't know in a place I don't live I would have been laughed at
OL490	They did no response to my report efficiently.
OL493	Littering - Told them off myself
OL511	FOR THE POLICE, THESE COMPLAINTS, FOR THEM IT'S A WASTE OF THEIR TIME
OL513	I regard the cigarette smuggling 'groups' near the frontier to be antisocial. There is no point in reporting this to the RGP as they choose to do very little about it
OL525	I witnessed a fight late one night in Casemates and the police happened to be patrolling as it happened.
OL535	who do you report the Guardia to?

Reference Number	If you were a witness to a crime and you did not report it, why not?
OL538	Because I'm sure the police are already well aware of the issues smuggling has caused in the estates particularly and seem not to have enough resources to deal with these. No one seems to have the resources and/or the will to deal with this, so what's the point of constantly reporting this to the police?
OL547	Nothing done about or turn up too late.
OL549	It seemed petty and possible time wasting for the police to involve them. Nearly impossible to prove too.
OL571	same as before. Gibraltar is very well policed.
OL573	i dealt with it and calmed the situation down myself
OL574	Again, Vide 2
OL575	Police already involved
OL581	As explained in 3c
OL585	No point as perpetrators were LOCAL drunken youths
OL587	see 3
OL592	we witness under age drinking in casemates regularly on Fridays which the rgp are usually patrolling. we also witness dangerous manouveres undertaken by learners often with passengers on the roads. I don't feel if I were to report this it will not be taken seriously by the rgp
OL597	Same response as to section 3
OL600	I reported dogs on the Both Worls beach last Saturday at 1.15. Nobody came, I called again at 1.30, promised to be there shortly. Nothing happens, call again 1.45 and being told that poloce is busy. 2.15 dogs left themselves
OL602	As my previous answer

Reference Number	If you are not satisfied with RGP, Why not?
2	upper town has a lot to be desired. We need more police presence in this area
3	I believe that the police should be more evident on the roads to deter any kind of crime
4	too many spaniards and other people around our estates doing illegal things and the police don't give a fuck
6	no parking yellow lane and between 15-20 motorbikes parked from 0930 until 2230 monday to Friday making it difficult for lorries to go past
13	it annoys me to see motrosist floating the law by, for exmample, double parking, jumping zebra crossings and passing on the wrong side in view of passing police cars or motrorcycles with the police ignoring the actions
17	no respect
19	though not in our justice system
23	sometimes a blind eye attitude seems to prevail, especially traffic offences
27	many of them sitting in cars and not patrolling
29	sometimes they cause more havoc than necessary
32	I think things are more or less the same at the moment
33	because some policeman not all of them some are very anti social and I said the is a lot of new policemen but it hard to see them around never there when you ....them
41	disabled badges nto properly assessed
42	constant careless driving. Failure to wear seat belts. Mobile phone use when driving
43	not enough presence especially after office hours
44	you never seem to be there to see what the public see about traffic violations, particularly scooters
46	too much speeding and careless driving esp motorcycles. Not enough police controls. Suggest use of static speed cameras and fines etc as a deterrent.
47	more control of motor bikes to respect traffic ordinance
48	scooters - speeding and weaving in and out of traffic remains a problem
53	although I am satisfied with the services I have not seen any improvement
54	once needed to deal with an incident on the street. Called and was told there was no manpower. Had to deal with it myself. Good thing it turned out well. Thankyou
56	it is true that the police act correctly on providing lawful services - but fails to enforce the law on territorial waters
57	varyl begg is a one way everyone drives any way they want. Drive in the no entry drive against traffic. I could fill a police book in one day
62	we never see officers in water port road near the zebra crossing where m/cyclists more off where we cross
64	speed checks on europa road should be done more often, especially between 7-8am
65	more concern should be carried out by rgp on motor bikes overtaking on the right especially where I live i.e. governors lane and secretaries lane
67	as advised. Traffic laws are a joke and is a free for all
72	there are too many traffic incidences not tackled by police. The fishing dispute in our waters is a joke
74	why do the police not enforce more when drivers do not indicate when turning. Sign are no good people don't read them. And ppl using mobile phones whilst driving
75	services by police in upper town is next to nothing
77	there is no consistency
78	they should not hide when conducting speed checks
80	2. no change. 3. not enough police when traffic heavy 3. not evrybody is treated the same
84	no daily spot checks of documentation.no element of service to help enforce ....of the law
87	up to a point
92	again the problem of motorbikes/scooters
95	iit just stays the same
96	main problem area are not being tackled correctly. We rarely see a police ...in our area
97	mainly vis-à-vis. Contorl of speeding, overtaking, driving abreast talking mainly motorcycles
101	3. getting much better at pulling people over if not adhering to the laws
102	abuse of force by of policemen
105	some of them are ....
106	need more policing in the streets and not in a patrol car

Reference Number	If you are not satisfied with RGP, Why not?
113	I don't think enough attention is paid to how an older driver uses the road
114	despite the large number of police employed there are few seen along roads and I see drivers on the road with phones and not indicating in a daily basis
118	found property, the police should abide by the rule written in the form. Before accusing, the police should investigate
119	still see many people driving while on the phone. Too much dangerous driving by younger drivers
120	to begin with you never see them only at parades and public functions
121	the new community officers are very nice but, are closed no police or HEO's are seen in upper town, spanish stuffing car and bike indiscriminantly park everywhere
125	stricter traffic measures should be enforced
126	there are drivers here with epilepsy. This and health records need to be looked into more often
127	because it cant be seen by lots of people
128	mobile phone use whilst driving impatient scooter riding - overtaking into oncoming traffic
132	there does not seem to be consistency so people think they can get away with it. Rougher penalties required
133	the rgp is a worth police force but must not rest on their laurels
134	the traffic laws should be enforced
135	a lot of rules are broken, double parking, illegal parking and police presence does not stop ot (e.g. outside schools)
136	too many people drive and talk on phones
137	should be more policing where tobacco is sold. Especially estates
141	how could you have improved? You have less work to do with the HEOs finih people, there isnt that many fights in casemates anymore. Have a doughnut
146	more should be done on speeding and motorcycles
148	my view is that the police is out there to help locals not hinder them especially the youth
155	PERHAPS THE PR MACHINERY IN THE POLICE FORCE IS NOT WHAT IT SHOULD OR COULD BE
156	I FEEL THERE SHOULD BE MORE POLICE PRESENCE ON OUR ROADS
158	SPANISH CARS ARE NOT TARGETES. GIB REG CARS ARE EASIER FOR POLICE TO PROSECUTE. BRING IN ON SPOT FINES!
162	ON OCCASIONS MORE TRAFFIC SEEMS TO BE CAUSED WHEN THERE IS POLICE PRESENCE
163	MOTOR BIKES OVER TAKING ON THE RIGHT WITH IMPURITY
165	POLICE ARE UNAWARE OF THE LAWS THEY ARE IMPLEMENTING.
166	A CLOSER LOOK AROUND GIBRALTAR TO ACONTROL TOBACCO SMUGGLERS
171	MOTORBIKE EXHAUSTS ARE STILL CREATING NOISE POLLUTION. MOTORBIKES NOT RESPECTING PEDESTRIANS CROSSINGS. WOULD LIKE MORE POLICE PRESENCE ON FRIDAYS AT OCEAN VILLAGE IN EARLY HOURS!
172	DISLIKE 'SNEAKY' SPEED TRAPS. POOR PRESENCE AT NIGHT WHEN DRINK DRIVING IS MOST LIKELY
174	TRAFFIC IS TERRIBLE, NEED TO BE MUCH TOUGHER AND CONSTANT PRESENCE
178	HAVE CONFIDENCE IN POLICE BUT ON 2 OCASSIONS REPORTED AN ISSUE TO POLICE STATION TO NO AVAILABLE RESULTS. MONTHS HAVE PASSED BY AND STILL WAITING FOR ANY CONSTABLE TO TURN UP FOR INVESTIGATION
179	ENFORCEMENT OF TRAFFIC DISCIPLINE ON TWO-WHEELERS IS WOEFULLY INADEQUATE. THE OCCASIONAL SPEED TRAP WE SEE IS A DROP IN THE OCEAN
181	BECAUSE I STILL FEEL A LOT CAN BE DONE TO IMPORVE VARIOUS PROBLEMS IN GIBRALTAR
183	STILL FEEL ITS A CASE OF IF YOU KNOW THE POLICE OFFICER OF A POLICE OFFICER YOU NEED NOT BE CONCERNED
184	y
190	INFRIGMENTS OF THE DRIVING LAWS IN GIBRALTAR ARE INCREASING RAPIDLY
194	WHEN POLICE ARE AT A CROSS ROAD THERE ISALWAYS MORE DELAY
199	I AM AWARE THAT THE RGP IS MAKING A HUGE AWARENESS CAMPAIGN, REACHING THE COMM WITH SOCIAL MEDIA. HOWEVER, I DOUBT THIS IS ENOUGH AND I DO ENCOURAGE PRESENCE OF THE FORCEIN ALL LOCATIONS WITHIN GIBRALTAR

Reference Number	If you are not satisfied with RGP, Why not?
200	I THINK THE POLICE OVER DO TRAFFIC CONTROL
202	PLEASE LOOK AT EUROPORT ROAD APART FOM MY INCIDENT, I SAW A LADY IN A SCOOTER CROSSING THE CROSSING AND WAS KNOCKED DOWN.
204	I DONT COME INTO MUCH CONTACT WITH THE POLICE BUT HAVE ALWAYS BELIEVED THAT THEY MOSTLY DO THEIR BEST TO DEAL WITH PROBLEMS
206	TOO MANY DRIVERS SPEEDING - NOT ENOUGH CHECKS, SOME VERY DANGEROUS DRIVING
212	PEOPLE OVERTAKE IN THE WRONG PLACES ALL THE TIME. PEOPLE DONT INDICATE ESPECIALLY AT ROUNDABOUTS. THESE NEED TO BE REPRIMAND.
214	AT TIMES POLICE HINDER TRAFFIC
217	TOO LENIENT WITH DANGEROUS DRIVING HABITS PARTICULARLY MOTORCYCLES
219	NOT CONFIDENT THEY CAN RESOLVE ANS SUCCESSFULLY PROSECUTE CRIMINALS
227	because at night you cannot see a police man and they go very fast with cars and motor bikes
237	it is self evident evident hour motor bikes drive with no care in the world
240	there is a need to further strengthen police presence on our road to avoid speeding and careless driving
248	I don't feel police come down heavily enough on dangerous driving, but still our youth are killing themselves on mopeds
249	always in the wrong place at the wrong time
252	more control on overtaking on straight lines and bikes overtaking on the left side. Cameras on some traffic lights
259	police ate not evident at giving hot spots at specific times of the day
261	never see a police man when its needed
269	I AM HAPPY WITH THE POLICE SERVICE
276	NOT ENOUGH IS DONE BY THERGP
279	POLICE HAVE NO PROBLEM TAKING ACTION WHEN THEY WANT TO AND CLAIM THEY DO NOT HAVE THE POWERS WHEN THEY DONT WANT TO
280	TO BE FRIENDLY WITH THE PUBLIC
282	3. I SHOULD BE STRICT WHEN REQUIRED BUT WITH COMMON SENSE. ALTHOUGH THERE ARE SIGNS OF IMPROVEMENT LATELY. 4. WOULD LIKE TO SEE OBVIOUS CRIMINALS CONVICTED ANT NOT FREE BECAUSE OF LACK OF EVIDENCE
283	THEY SEEM TO JUST STOP THE PERSONS WHO THEY KNOW WILL NOT CAUSE THEM PROBLEMS, AND IGNORE THOSE WHO ARE THE REAL CULPRITS
290	THE POLICE DID NOT SEEM TO BE VISIBLE ON THE ROADS IE AT TRAFFIC LIGHTS, ON EUROPA ROAD WHERE SOME DIRVERS THINK ITS A RACING TRACK ESPECIALLY AT NIGHT
291	IT HAS IMPROVED BUT NOT IN THE LAST 12 MONTHS
292	SOMETIMES I DONT FEEL THAT THEY ARE AROUND AS MUCH AS THEY SHOULD BE
297	because they should apply the law to everyone. Rule for one rule for all
303	the attitude of officers is one of "I am right end of story"
312	POLICE SHOULD MAKE SURE DOG OWNERS HAVE THEIR PETS ON LEADS, DOG FOULING NO FINES ARE BEING IMPOSED ON OWNERS
313	NEVER SEEN POLICE CONTROL TRAFFIC CONTROL ONLY HEO'S
314	SEEM TO TARGETT EASY OFFENDERS NOT THE REAL ONES IE SPEED CAMS AT 9AM AND NO POLICE PRESENCE DURING RACING AT 3AM
321	ive seen police officers witness traffic offence and not do anything about it
324	because everyday motorbikes drive on whatever side of the white line they feel like. Even police bikes do this
330	hiding with a speed camera is illegal and does not prevent speeding. Rgp must prevent and enforce not ctach people out
331	I don't believe they have improved, they have remained on the same level from what I see
332	abuse power, who polices the police? Making sure no abuse cells etc. "no" policing authority. No idependent body policing
336	morning traffic by queens cinema area. Motor bikes overtaking incorrectly and bicycles taking over all dangerous
337	there is too many young kids that drive like crazy around gib

Reference Number	If you are not satisfied with RGP, Why not?
339	people are not satisfied because some policemen don't carry through some problems reported, they get lost in the wash
340	constantly see people on mobile phone whilst driving, including police cars
346	THEY ARE MORE INTERESTED IN GETTING FINES, THAN IN MAINTAINING ORDER
352	ON A PERSON TO PERSON LEVEL THEY NEED TO LEARN TO LISTEN
356	VEHICLES OVER TAKING
362	HERE IF YOU KNOW SOMEONE IN THE POLICE THE LAWS ARE DIFFERENT
371	THERE IS MORE THAT CAN BE DONE BY THE POLICE. I FEEL A LOT OF THE OFFICERS ARE INEXPERIENCED AND MIGHT NO FEEL CONFIDENT AT TACKLING MORE DIFFICULT SITUATIONS
373	FEEL WE SHOULD BE STRICTER WITH THE CURRENT TOBACCO ISSUES WE ARE EXPERIENCING
374	I STILL HAVE MOTORCYCLES PASSING ON THE WRONG SIDE AND IGNORING RED LIGHTS NEVER A POLICE AROUND WHEN THAT HAPPENS
386	SPANISH REGISTERED VEHICLES ARE A BIG PROBLEM THEY DO NOT RESPECT ANY OF OUR ROAD MARKINGS OR SIGNS AND I THINK THAT ALMOST 80% DO NOT HAVE PROPER DOCUMENTATION/INSURANCE AND I THINK RANDOM CHECKS SHOULD BE MADE
389	BEING ON THE ROAD QUITE A BIT, I FIND THAT FOR LENGTHY PERIODS OF TIME THERES NOT ENOUGH POLICE ON THE STREETS
390	I BELIEVE NOT ENOUGH PEOPLE ARE STOPPED WHEN CARELESSLY DRIVING. THE CONSEQUENCE SHOULD BE BIGGER
413	I DO NOT SEE THE POLICE AROUND IN AREAS THEY NEED TO BE. IE AS MENTIONED FOR TOBACCO SMUGGLING
414	I SEE THAT THERE HAVE BEEN LOTS OF NEW RECRUITS, YET AS MOST INDICENT NO POLICE CAN BE SEEN AROUND.
415	I DO NOT BECAUSE THAT OFFICERS NEED TO HIDE WHEN USING SPEED GUNS
419	NEEDS TO BE REVISED RE SPEEDING
425	I am sick and tired of raising awareness campaigns and want police to take action
428	imo I feel foreigners get away with fat too much, whereas locals get penalised
429	one has to go to a police station there ..... In the streets ....
430	its always the saem each time. Nothing really changes
442	UNMARKED CARS, WITH CAMERAS WOULD HELP TO CATCH INDISCRIMINATE SCOOTER RIDERS WHO SO OFTEN GET AWAY WITH BAD ROAD RIDING
443	not certain of all traffic laws but mopeds/motorbikes rule sometimes recklessly. Cars and motrobikes are same law I think both maybe wrong
444	there are many infringement - going through red lights, cycle users weaving in and out of cars; speeding and there is never an officer in sight
445	too many irresponsible law breaking motorists (in particular scooter riders) seem to get off with an ineffectual warning
446	all they want is money
448	people should be dealt with more severely for traffic offences
451	not enough is done and their presence is limited
454	TOUGHER IN GENERAL
457	I DONT THINK THERE IS ENOUGH POLICE PATROL AND THEY SHOULD ENFORCE MORE TRAFFIC CONTROL LAWS
461	WHEN ENFORCING TRAFFIC LAWS THEY SHOLD BE VISIBLE TO THE PUBLIC, AND NOT HIDING AS IS USUALLY THE CASE. SOME ARE RUDE
464	because they use their force where they do not need to especially with teenagers, they should try and gain their confidence or its quite the opposite
465	police should concentrate more on drugs rleated crime and traffic offences. Have more resources in town 24/7
468	In gibraltar it is very easy to identify careless and dangeorus driving, I am not reform to driving going over the speed limit by a few kms but to those who we all see constantly driving in a very dangerous manner
469	the police is not there to be popular, its there to do a job. If they can do their job and be popular - fine!

483	they are never there when I need them
485	as I always have problems with traffic due to frontier queues
486	traffic flow is terrible at rush hour
493	3. because there are still issues with traffic control which cause a great disruption to people
495	because wreckles driving still occurs
503	the traffic should have more fluidity
507	traffic laws need to be stricter
508	because there are still many police doing dangerous things on the road which I feel is not being monitored
515	THEY COULD FURHTER ENFORCE TRAFFIC LAWS ON THE ROAD AS THERE IS STILL A BIG AMOUNT OF CONGESTION IN BUSY AREAS
519	THERE IS A LOT OF TRAFFIC
525	NOT ENOUGH ISDONE WHEN IT COMES TO YOUNG KIDS ON THE ROAD ESPECIALLY ON MOTORBIKES
529	TRAFFIC STILL SEEMS TO BE A PROBLEM, ESPECIALLY IN MORNINGS
535	THEY NEED TO REINFORCE MORE LAWS IN ORDER TO MAKE IT BETTER
536	THERE IS NOT ENOUGH CONTROL WHEN IT MATTERS EG NIGHT
544	they ARE NOT RELIABLE OR TRUSTWORTHY
547	INSTALL SPEED CAMERAS
548	THERE SHOULD BE MORE ENFORCEMENT IN THE ROADS TO AVOID ATRAGIC ACCIDENTS
551	IT SHOULD BE ENFORCED MORE
554	THEY SHOULD ENGAGE MORE WITH THE COMMUNITY
556	FLUIDITY OF TRAFFIC IS DANGEROUS AND NOTHING IS BEING DONE.
569	no one does anything in the police of worthy actions
580	IT HAS STAYED THE SAME. NOT BEING IN THE RIGHT PLACE AT THE RIGHT TIME
590	BECAUSE MOST OF THE POLICE ARE UNFIT TO COPE WITH SITUATIONS
607	some are unfit to be police. On the roads they cuase more traffic
608	as they don't handle situations properly
621	traffic laws are not safe enough penalty points should put in place
624	laziness, no trust wihtin RGP, corruption and more training need and stricter recruitment
625	sometimes big crimes are not dealt with properly
627	because of corruption within the police force
631	too strict
635	the police are ignorant and apathetic towards offices affecting society as a whole e.g. drug misuse amongst teens
639	because they don't do a good job with traffic
643	they just don't do enough
646	it hasn't really changed
648	BECAUSE THEY LOOK FOR WRONGS IN OUR COMMUNITY RATHER PREVENTING THE WRONGS
649	BECAUSE THEY TREAT YOU WITH LITTLE RESPCET
662	I DO NOT SEE THEM OUT DOING JOBS THAT NEED TO BE DONE. TRAFFIC FLOW IS IN NEED OF IMPROVEMENT
665	I HAVE SEEN NO CHANGE IN THE STANDARDS OF LAW ENFORCEMENT
703	MANY CRIMES, INCLUDING BOTH TRAFFIC AND DRUG OFFENCES CONTINUE AS IF THERE WAS NO LAW ENFORCEMENT WHATSOEVER
712	SOME OF THEM DO MUCH TO HELP ONCE THEY ARE CALLED
714	TOO MUCH TRAFFIC - SPANISH CARS STUFFED WITH TOBACCO
717	I AM WORRIED AT THE FACT THAT ILLEGAL INCURSIONS ARE NOT DEALT WITH IN THE MOST STRICTEST OF WAYS
719	they should spend less time giving traffic tickets and more time at crime scenes
724	a lot of wreckless driving and driving under the influence goes on in gibraltar

729	things could be improved
731	things that could improved
734	police monitor the wrong roads at the wrong time sometimes
735	I think traffic laws should be better
738	we need real justice
739	justice system is corrupt
740	some things could improve in terms of speeding and reckless driving
741	they misuse their power when they themselves are in branch of the law
742	they take more interest/concentrate more on smaller issues than in the bigger problems in Gibraltar
746	Gibraltar is a small place and everyone knows each other and I think that the police tell family members etc
748	been witness to police ignoring drunk person on middle of the road on New Year who was throwing things
749	I think that the police need to reevaluate their priorities less focus on petty crimes (parking fines etc) more focus on real issues, speeding, drugs, mess created around the frontier etc
750	there are certain laws that aren't treated seriously by the public i.e. seat belts and underage driving and not having a passenger with learners
751	I believe that the police could have a little more control over dangerous driving i.e. speed cameras etc
755	too long to write here, won't my opinion need bigger box
756	I feel like they cause more traffic
757	because drugs still appear to be a big problem in the community
758	just don't have much confidence in the RGP
759	because some abuse authority and others don't take action as it might be against a friend or family member also they don't do much in the town area
760	because I believe there are issues which can be improved
761	because there are many issues which have been turned a blind eye on
763	because there are many issues which can still be improved and I don't think they have done enough
OL225	Indiscriminate parking and failure to observe traffic lights.
OL226	Police seem not to be doing anything. They just seem to be enjoying going on fake Facebook and Twitter clinics where nothing gets done. They are going from bad to worse with loads more resources and money spent on them. Personally don't agree with new commissioner and his approaches to policing
OL227	Year after year all the Police seem to do is their pointless 'Road Watch' exercise. Speeding fines and lack of seat belts. Why is RECKLESS driving not tackled? I.e. moped riders constantly weaving in and out of traffic, racing along with their excessively loud exhausts. Vehicles not using indicators, even POLICE vehicles! Mopeds constantly 'cut cars up' to get just a car or two ahead! It seems this sort of behaviour is constantly ignored.
OL228	1) No, they do not have the powers they need in order to protect us. 2) The services have not improved they have stayed the same whilst everything around has changed for the worse. 3) I cannot be satisfied with the way traffic laws are enforced when you see Spanish registered cars and bikes doing as they wish and a local one gets penalized for everything. 4) Confidence in the police was lost when they stopped protecting us and when they themselves broke the law and all they get was a slap on the wrist by the judge.
OL231	1. There are a lot of officers (not all, but a lot!) who do not care what happens. Their job is to listen to the complaints, fill in the forms and then go home. 2. There is an arrogance around members of the police force as if 'civilians' are beneath them. In my dealings with members of the police force this is far from true - in fact, in most cases, they are too stupid to understand the situation as a whole. 3. When a complaint is made the complaint should be logged and recorded, the officer should not dismiss the complaint because he can't do anything about it, it should be logged and recorded regardless of whether anything is done. 4. Administration - the police force is very slow to work through the paperwork that forms part of their job. Legal paperwork for court is a prime example. In that respect the RGP can be accurately compared with the Tax Office!

Reference Number	If you are not satisfied with RGP, Why not?
OL232	As a driver, I witness careless driving every day on the roads in Gibraltar, reckless and dangerous driving, speeding, mobile phone use, no seatbelts, undertaking.
OL233	Traffic offences are still an issue. The Police need to be stricter and more effective in detecting road offences. Secondly, the RGP do nothing to combat unlawful incursions in BGTW - and this undermines Gibraltar's entire equality of law. Civilians are processed according to law, unlawful incursions are not. The RGP need to start boarding and arresting.
OL234	Because year after year I report the same answer to your questions re bad driving and year after year you ignore me and many others reports that SOMETHING NEEDS TO BE DONE ABOUT BAD DRIVERS IN GIBRALTAR.
OL235	Irresponsible young adult males of the ages of 17+ pose a threat as they greatly exceed the speed limit regularly and more dangerously, have no experience of conducting a motorcycle at great speed in the first instance. Furthermore, mopeds teach and incubate very poor riding habits and necessitate a stricter approach to road safety.
OL241	Because they confront mostly the youth in their mopeds or cars but then on the bigger issues nothing is done like at sea and on land with tobacco and i personally feel not enough id being done by them and when you need a Police Officer there is none doing the rounds
OL245	Because their presence in certain areas is non existent and I do not feel safe when I am confronted by groups of men conducting questionable activities in dark alleys! Police should be patrolling the streets a lot more!
OL248	more to be done on the obvious and simplest of offences such as tacking lack of signalling by most drivers at roundabouts and exists etc. makes a difference and very common and affects as a whole the quality and standard of driving in gibraltar
OL251	as explained before not enough is being done at residential estates at the north district
OL253	Mobile Phones while driving and not respecting Pedestrian Crossings.
OL255	not enough police on the roads, especially in hotspots which we all know where they are, especially at the border
OL258	They are crap
OL259	it can be monitored on a daily basis
OL261	sometimes the police hide themselves to catch a driver doing wrong, I think they should be visible so people dont do it.
OL263	They have become a self promotional body, rather than fight crime. They have taken a softly softly approach and crime has gotten out of hand. Please dont be naive enough to rely on statistics which im sure you know paint the picture that you want them to.
OL269	The Police neighbourhood scheme was promising at first but resources have been diverted to mundane tasks like frontier queues so have lost faith in the system
OL270	However i am satisfied with the RGP on land but i am very unsatisfied with RGP at Sea
OL271	I was one of the Rambos before but just by the way police officers spoke to you they caused respect,I don't know why but the don't give off that sense of respect and security as they did before!
OL272	The HEO's are totally ineffective. Mobile phone use is a big problem whilst driving.
OL279	Because the police hide from drivers view whilst doing speed checks which is wrong. In UK the drivers are notified they are in a speed checked area. If people are caught when the police can't be seem, it's an unfair case.
OL280	Police don,t appear to have any control over dangerous driving and excessive noise of two wheeled vehicles, and some cars.
OL281	not consistant in enforcement!!! only on Police Watch times.....Police watch should be everyday!!
OL283	Local laws are not being applied equally when it comes to locals and foreigners especially on the roads.
OL284	I think more needs to be enforced. I saw a van with only one headlight today and this should not be on the road at all. Maybe the driver thinks its OK to drive around during the day - even so it is not on IMO.
OL287	Daily I see drivers, especially younger ones, speeding, using mobiles while they drive without let or hindrance. I also know that regularly smuggling goes on and nothing is done to curtail it. If I see and know these things... why don't the officers?
OL289	No enforcement of NPA Act, i.e. macaque feeding, dog faeces, illegal fishing with nets, incursions etc NOT ONE prosecution on macaque feeding or illegal fishing and incursions!!!!

Reference Number	If you are not satisfied with RGP, Why not?
OL290	Indiscriminate driving , noise pollution , indiscriminate long term parking of cars and motorcycles appears that the majority go unabated with a very low percentage receiving a caution at worse get fined.
OL291	Police cannot enforce road traffic laws effectively. Speed cameras needed, Policing of traffic parking in pedestrian marked areas not enforced in Rosia Rd (south).
OL293	It seems that the law is only applied to some not all. This is now getting really bad! The law is for all if not for none!
OL295	I personally don't see many police officers policing our streets. I see the HEO's all over the place however. I think we need more police visible on the streets of Gibraltar.
OL296	Too much emphasis on speed. None on eg blocking of junctions
OL300	Police are too "limp handed" or lack fibre in wanting to stop the total disregard scooter riders demonstrate on our roads
OL304	Police vs Heo - i dont believe it is clearly defined to the public which role is played by who but there is a serious issue when it comes to this on several fronts. further, more attn needs to be paid to motorbike drivers, driving wrong way ie from as far back as St marys school down to cornwalls centre.. common occurrence. Respect for lights giveways etc - and the Heo turning blind eyes to some illegal parkings and not others. with regards to confidence and the police this lies mostly with the new recruits - they do not instill confidence, particularly when some of these are guys you then see out of unifrom playing up, hanging with known dodgy characters- understandably police have their own lives out of the force but more attention should be paid on recruitment and perhaps more stringent interview process
OL305	everyone drives like mad !!
OL307	You are asking me! If you are asking you need to give up the job, you should know beeter than !!
OL308	Witnessed police acting above the law. worked with police professionally
OL310	More neighbourhood policing during silent hours at weekends and school holidays
OL312	The selective enforcement of the law is by its very nature discriminatory. Gibraltar has very strong environmental laws, e.g. the Nature Protection Act 1991 which the Commissioner of Police has chosen to ignore. These are crimes committed by foreign and domestic offenders at sea (net-fishing, but also fishing with aqualungs) and on land by taxi-drivers and coach operators feeding Barbary Macaques on the Upper Rock and other locations. No one is ever reported or arrested for these offences and this is unacceptable. Laws are passed in the Gibraltar Parliament and whilst a Commissioner of Police has to set RGP priorities, it is not in his gift to ignore an Act of Parliament.
OL314	They appear divorced from the population and give the impression of being unapproachable
OL315	My impression is that police go for the easy option - say a law abiding citizen driving just over the speed limit - and turn a blind eye to motor cyclists and car drivers who are tearing along at high speeds and posing a danger to themselves and other road users.
OL316	They are not seen in areas like gib5 or surrounding areas were I live, don't feel protected
OL318	Drive around gib can you say this is well policed. Drive cars unmarked and video i.e. use go pros and record traffic offences then send the fine to the registered owner it is then on them to pay it or prove that it wasn't them that was driving. Use unmarked mopeds to video these to catch real crime in action.
OL324	I believe they have the plan outlined but are not sticking to it. There is not enough enforcement done and although not wishing for a 'police state' discipline is unruly and the police force is not living up to its standards.
OL325	I normally see speed controls in areas which I believe are not normally problematic (especially when this is done early in the morning when people are going to work etc) and very little if none in areas which pose a real danger (especially at certain times) - I walk a lot around and feel totally unsafe as a pedestrian especially in the tunnels going to camp bay where space is limited (especially when going with a buggy) and the tunnel leading to the lighthouse (although it has a space for bicycles and pedestrians) as some motorists feel they have just entered a racing truck when going in - some sort of speeding control should be exercised in this tunnel especially before something tragic occurs
OL328	They do not listen.
OL329	Police are concentrating on catching people for low level offences (e.g. slightly over speed limit in a 30km area, where a 30km speed limit is not justified) instead of catching reckless drivers, say on a Friday night.

Reference Number	If you are not satisfied with RGP, Why not?
OL330	Antisocial behaviour - police have systematically failed to support us and act impartially in ongoing issues we have with anti-social behaviour in our neighbourhood. Under age drinking - I asked police to intervene when I knew a bar was serving alcohol to a person under age, and was told they had no rights to enter the premises. It's great that there's a good police presence in Casemates on a Friday, it would be far better if they had authority to intervene when bars serve those underage. I understand police can only enforce the laws in place, but the drinking age is unclear and should be raised to 18 across the board and enforced accordingly by police, not left to the bars who are lax to say the least. Having a drinking age of 16 encourages a culture of drinking at a very young age that is hard for parents to combat. It means 14 and 15 year olds are getting into bars with others far older than themselves, and being served or bought alcohol making them extremely vulnerable.
OL331	Poor driving standards of motor cycles ,lack of enforcement on Spanish cars and motor cycles on there poor driving ,parking ,and general attitude to the law of the roads in Gibraltar
OL343	More should be done about careless drivers, if I see them speeding/ talking on phones/ dangerous driving/ ignoring pedestrian crossings etc EVERY DAY then the police should be out there and catching them in the act.Maybe more police could be employed to work roads
OL345	As previously stated the enforcement of traffic laws is abysmal.
OL349	I think traffic laws need to be enforced in a bit stricter way, specially for the motor cyclists. Secondly heavy and slow vehicles should have timings to move in the city, may be after working hours or early morning before 7.30 am.
OL360	Police seem to turn blind-eye when a local is involved in small infringements (eg parking violations)
OL362	unable to simplest task: Traffic cases going to court reveal poor evidence and other processing. Drugs in Schools. How is that possible when all people involved must be 100% known. Police officers are not leading by example.
OL363	Bad driving around Gibraltar especially motor bikes, double overtaking going through red lights the list goes on.
OL364	Traffic violations are not consistently dealt with. Depends if the police officer knows or is related to the offender
OL368	Spanish vehicles stop on Devils Tower road often without warning blocking traffic lanes where are the officers/HEOs???????
OL369	I don't feel that there has been any significant improvement in the last 12 months. If I can see people driving on their mobiles, smoking pot while driving and driving recklessly, why can't they?
OL375	not enough police patrols at night when speeding occurs
OL376	Q3: Warnings are given to road users as to where the Police will be checking speed/seat belts etc. These should be random with no warning. Speed cameras should be in place on certain road and a points system should be introduced to deter persistant offenders. X no. of points and you loose your license for 6 months etc.
OL377	I have witnessed police acting too leniently in cases where stricter action should be upheld. Alternatively, minor offences are given more attention.
OL378	Speeding particularly by motor cyclists remains a problem. Control by the Police of the tobacco trade remains an issue (not sure there is political interference in this)
OL379	Motorbikes break the law all the time. It appears that the highway code does not apply to them. The police need to be consistent
OL381	There is a tendency to ignore the illegal acts of foreign vehicle drivers and this is not acceptable. It is not acceptable in other countries and it should be the same in Gibraltar. Ever road user, from wherever they originate MUST betreated similarly and without selection.
OL384	Nothing is ever perfect....there should always be room for improvement
OL385	All you hear about is who is seeing who, affairs and rapes (come on!!)
OL389	There are still individuals in society that have committed repeated offences and they are still out there being a nuisance to society.
OL391	Unfortunately the big boys/girls of crime never get caught! It's the small fish that always pay the price & get sent to prison!
OL395	Behaviour of motorists, resident or non-resident is terrible. Certain areas of Gibraltar can be scary place to walk around or to let your children walk around. Motorist behave badly without any action being taken.
OL399	Personal reasons

Reference Number	If you are not satisfied with RGP, Why not?
OL408	Sorry but I don't trust police officers, lawyers or politicians :(
OL413	Long story
OL417	e.g On the spot fines for non residence and if they do not have cash impound their motor vehicles.
OL427	because you are useless
OL432	The police is too soft. While I applaud trying to solve matters through conversation, sometimes matters need to be dealt with more forcefully and one law should go for everyone - not depending on who you know or who you are.
OL434	I feel more could be done in the drug scene make children aware younger in school,drug testing
OL436	They have a way of selectively enforcing the law on those they know are the most easy targets
OL438	As a driver I see too many bad and dangerous habits of motorcyclists, that goes without punishment, and still see police harassing groups of teenagers.
OL441	No many police on patrol and at night its a rare sight to see one on the streets.
OL442	I see too many children unrestrained in vehicles and on mopeds when they dont reach pedals, pedestrian crossings and red lights are a joke, these matters must be taken more seriously.
OL446	Sadly the police cannot be everywhere at all times. Bad driving habits including use of mobile phones whilst driving/driving without seat belts/children unsecured in cars/speeding/more recently ignoring traffic light signals/cyclists using footpaths/cyclists ignoring traffic light signals/a widespread non-use of indicators all give great cause for concern. These bad driving habits are escalating. Please find a solution.
OL447	Police seem reluctant to deal with foreigners.
OL449	I see riders/drivers breaking traffic laws whilst police are nearby and nothing is done.
OL457	You do not see officers being pro-active on the streets as there are non . I see a lot of officers driving round in vehicles and not doing a lot . We are told that there would be neighbourhood policing and estate patrols but we haven't seen our community constable for almost nine months. An officer sitting in a district officer is not neighbourhood policing. I think the RGP has got it all wrong and the public is being hoodwinked. There are many issues to tackle. The police are there to enforce the law and not act as social workers.
OL458	its not that i dont trust police its that the law many times fails to serve the victims...
OL459	I do not see Police Officers patrolling other than the occasional car. Traffic enforcement seems to be aimed only at foreign vehicles as local drivers get away with whatever, and this only by TEO and not Police who are not around. Main Street is completely abandoned as are the estates as officers are used for social events such as elderly care (something that comes under a different entity) instead of carrying out the duties they are paid for. There seems to be no supervision and the new officers are just left to their own devices and subsequently there is no respect for rank, albeit there is no rank seen out anyhow. It seems that the heirachy have other things to worry about other than policing
OL462	Refusal to put some form of permanent control (e.g .speed cameras) on Devil's Tower Road, which is now dangerous.
OL463	Because 'family' connections and 'expats' treated differently. Aldo very small minded ness displayed if gibraltar in the sun is anything to do with it. Police officer quigly was a disgrace.
OL468	Enforcement isn't consistent when dealing with persons known to have a lot of money.
OL471	In issues to do with my area no consistency
OL473	Motorcyclists are a problem. The manner in which they are driven, undertaking, overtaking and suddenly pulling in in front of you causing you as a car driver to brake suddenly and potentially causing an accident, overtaking over bold lines. Allowing double parking on busy roads AND roundabouts, particularly the Morrison's / hospital roundabout. Lack of drink driving checks!
OL477	I answer no because i feel the RGP are not focusing on the task at hand.....for example lately they are popping parking tickets left right and centre knowing the massive problem we have in Gibraltar with parking!!.....everyday that goes by there seems to be less and less parking due to works being carried out, or construction materials being stored etc.... and us citizens have to make shift parking spaces because we cant take our cars home only to have a bobby turn up in the early hours of the morning and gift us all with parking tickets because there is nothing better to do!!.....this is unacceptable!! And on another note...its against the law not to notify citizens with permanent traffic warnings regarding speed checks!! you shift locations as you please and hide in the shadows when doing the checks!!

Reference Number	If you are not satisfied with RGP, Why not?
OL479	Gibraltar is a traffic jam. I am astounded that for a country that is used to the main road being shut due to air traffic that this still backs up the entire road system. People regularly drive drunk and illegally. I have never seen a police man do nothing other than stand there.
OL481	All I ask for is CONSISTENCY. There are many instances of DOUBLE STANDARDS and inconsistency with the way a police officer deals with an individual. There is also different treatment depending on the danger that an individual imposes. Law abiding people tend to be easier targets for police officers who are not as strict with persons who commit offences very often.
OL487	Fixed speed cams, also on the spot breathalyzers. On the spot fines for non-residents.
OL491	The police do not enforce the traffic laws, it seems they are only interested in catching speeding offences nothing is being done for driving without due care by the hundreds of motorbike and some car users.
OL492	RGP should be given more powers to enforce this and especially antisocial behaviour!
OL493	Too lenient approach
OL500	I think there should be more officers patrolling the town area during the day. There are days that they are nowhere to be seen
OL503	Too many people not following the Highway Code. Never seen any officers pull anyone over.
OL504	Little, if anything, appears to be done regarding cigarette smuggling activities of organised gangs. Why isn't it even an issue highlighted in this survey?
OL507	I know there are many campaigns for safer driving but I feel it could be enforced stricter as I do feel this area is a big problem at the moment
OL511	BECAUSE I USED TO WORK WITH THEM, AND THEY HAVE FAILED WHEN I HAVE NEEDED THEM
OL513	I think the RGP lack coherent policies - for example, they have police dogs - procured on a whim. They have bigger and bigger boats on the water but no workable policy for their employment. They brush accidents and incidents under the carpet without proper governance or external scrutiny
OL519	Naturally resources seem stretched while the police focus on traffic at the frontier approach area, however speeding on other roads such as Waterport Ave and aggressive acceleration and breaking in other areas continues. Speed cameras could be an option?
OL524	Just a few signs here and there and the odd highways enforcement officers dotted around. Feel there needs to be more done re: speeding in known areas eg queensway, Europort road, rock hotel hill etc plus bikes weaving in and out
OL530	I do not believe there are enough officers who have the necessary 'I want to help you' attitude. I feel that a lot of them put the uniform on along with the 'I am god' attitude
OL531	Sometimes Police directing traffic slows down the flow rather than increasing it, I don't believe Police should be directing traffic at all, there are more important things than that.
OL533	because in some cases the uniform has got to their heads:/ that has to be dealt with we are all human if u want to be respected respect
OL535	they are unable to control traffic if the queue is so stuffed-its however not their fault
OL538	Operation road watch has been brilliant but more still needs to be done. A relative (pedestrian) was hit by a moped and I can't say the police response has inspired much confidence in the police force.
OL542	For reason already given.
OL547	See too many vehicles speeding in built up areas, bicycles being ridden without lights in the dark, cars jumping red lights and mopeds undertaking/overtaking dangerously.
OL548	Like all police forces around the world but even more so in Gibraltar corruption is rampant, I think police men and women should be brought in from the UK to man our streets and uphold the laws more efficiently.
OL549	If people think it's ok to blatantly drive the wrong way down one way roads, overtake illegally, speed in crowded areas then either people are generally idiots or the police need to have a heavier hand
OL550	The campaigns to improve road safety are good, but there should be daily checks at various spots to keep safety levels at the maximum.

Reference Number	If you are not satisfied with RGP, Why not?
OL551	I witness substandard driving on a daily basis in Gibraltar. People don't know the correct lane to be in, people don't know how to indicate. Motorbike riders are careless, cyclists jump traffic lights and ride of pavements. At night time boy racers take to the street and drive too fast. People stop on double reds.
OL557	you see a week or two when the guys are out with the speed camera's and then nothing for a month ??? there just seem to be a schedule, no consistent plan to tackle the speed and poor driving. there is car racing most nights at the light house, have the police not noticed or are they not interested?
OL563	No control over people on bikes ( scooters)speeding and " undertaking"
OL566	over zellus policing is not the answer to the traffic issues. Drivers want to get to there destination as quickly as possible. just a few idiots bad driving in a car or moped we all suffer with over reaction policing, traffic calming etc is not good.
OL573	I was stopped for speeding when i was within the limits on Devils tower road and the young officer was rude and incompetent. It was only when the older officer cam over saying, 'No, no no es el otto', that I was waved on without an explanation or apology. If I had not been able to speak spanish I would have been flummoxed as to what had occurred....which my passenger was> She could not quite believe what had happened and was horrified. I laughed it off saying, 'only in Gibraltar'. Which is really no longer acceptable
OL574	Vide 2
OL575	I see bikes undertaking, cars not stopping at Zebra crossings, cars and bikes speeding, cars and bikes parking so prams cannot cross the road. I am referring to cars/bikes with local number plates.
OL581	As explained in 3c
OL582	existing laws are not enforced esp on the road when police are contacted do not act they turn a blind eye lazy and just talk to each other off handed to complaints and disinterested
OL585	The police in Gibraltar are NOT even handed and generaly act diferently and "turn a blind eye" to problems with LOCALS but are very Anti and strict with all other orders of society
OL587	i haven't seen perceptible improvement...fits and starts of a couple of initiativs aside. Traffic offences continue unabated..frankly I don't know why we bother with overtaking (and undertaking by mopeds)restrictions (including at roundabouts, junctions and pedestrian crossings), parking demarcation, speeding ( particularlyly by mopeds), fitting indicators (they are rarely used) and most astonishingly red traffic lights..all are ignored with apparent impunity. Not to mention noisey mopeds/bikes and car stereoes. I have seen increases rather than otherwise of the above nd particularly for jumping red lights...I personally record at least one per day...easily.
OL592	If traffic laws were reinforced effectvely there would not be as much careless driving as I witness. I do not have confidence in the police as I feel Gib is so small anybody will get away with breaking the law if you know somebody in the rgp
OL593	if you commit a crime you get arrested unless you are spanish they get away with illegal fishing
OL597	There can be no respect for or confidence in a corrupt force who discrimantes against Gibraltarians. Why pretend to enforce traffic laws and then RGP park illegally to buy their takeaways.? The RGP is a disgrace by not enforcing laws against Spaniards fishing illegally
OL600	Not deliver as promised
OL602	Policemen nowadays only want an easy life and dont do their work as they should yet you see them nicely dressed for parades etc.

4	I hate the way the majority of police officers treat the public in the way they talk to us
6	vehicles blocking bus stops stopping on red lines parking on pavements. If cars are stopped some motobikes just go past on pavement at is was part of the road
17	there is no respect nowadays for your elderds or police
18	no need for improvement they do a fine job
19	police in general are not highly likes but that is the same everywhere. People only praise them when they are personally affected
20	rather than questionnaires or in addition, please get them to know the individual family leaders and ask verbally
21	the attitude of the public is the police are there to catch you when you are doing somethng wrong. It should be the police are there to bhelp you when you need it
22	police are doing a very good pr job. Unfortunately here are lots of people who elieve that no matter what police are the bad guys. Mentality takes a long time to change maybe generations
29	because of previous police behaviour, which are now improving but people still need confidence
40	too m any corrupt police and the rest like to abouse their power
41	disabled badges on cars not checked with drivers. Dog shit everywhere and no fines. Too much tobacco smuggling all around. Crazy drivers
43	public confidence and relationships are based on long term experience. 12 months too short to see improvements
44	we neevr see them when needed
49	it is not a clean cut yes/no answer. There is confidence in some areas but not in others eg traffic offences, underage drinking and drugs
56	the rgp have an excellent record, however you are aware that other police authority outside gib. Do not give the same confidence to the RGP. This being to the fishing problems in our waters
57	police are only seen in cars, varyl begg donr see police unless something happens
59	lack of confidence in last 12 months due to handling of fishing dispute rleated offences and incurcions. In my opinion, due to lack of aid from british governmentcertain officers should take a more friendly and open approach when dealing with the public whether they are victims, witnesses or offenders
67	a more hand on approach is required. Especially with traffic and tobacco smuggling. People have had enough with it. People will never like it police. It's a fact of thinking
72	fishing dispute has made a mockery of gibraltar laws
75	upper town is neglected by all concerned including police
78	laws not being enforced at sen and matuteras at unprecedented levels
84	not noticeable
88	hiding behind speed cameras will not improbe confidence especially when these are carried out at 8 in the morning only catching ppl who are late to work
95	the situation just does not change
96	as for previous reply
105	no comment. They should know
116	by better patrol in laguna and glacis este due to tobacco sale
118	have already answered under "about you"
120	you are not in any way professionals due to the fact there are no experiences officers. There is not contact with the man in the street as you never see them
127	yu get what you inspect not what you expect
132	I don't have may dealings with rgp but I don't feel any different this year to last
137	because people from over the border park wherever they like, throw rubbish everywhere and even fish and camp over night with their failies in camp bay and nothing is done about it
145	visible police presence at casemates but stop and main street mainly when cruise liners are in post. The place becomes risky due to overcrowding with people and cars and buses
162	I FEEL THE FISHING DISPUTE AND TOBACCO ISSUES HAVE AFFECTED THE PUBLICS CONFIDENCE IN THE POLICE AS THIS DOESNT SEEM TO BE UNDERCONTROL NOR BEING TREATED FAIRLY. IBELIEVE THE POLICE DOESNT ACT AS AN INDEPENDENT BODY

Reference Number	If you believe public is not satisfied with RGP, why not?
165	LACK OF KNOWLEDGE FROM POLICE TO ACTUALLY DO THEIR JOB. SERIOUSLY WHAT KIND OF POOR TRAINING GOES ON AT THE RGP?
178	NO, BECAUSE POLICE ATTENDANCE HAVE BEEN CALLED WITHOUT ANY TURN UP
199	MAINLY BECAUSE I KNOW THE RGP IS WORKING ON THIS. AND SURELY SOON THEY WILL SEE THEIR ACHIEVEMENTS. STILL TODAY, IT IS MY OPINION THAT THEY NEED TO CONTINUE WORKING TOWARDS THESE GOALS
204	I HAVE NOT SEEN ANY REASON TO DOUBT THE INTEGRITY OR GOODWILL OF THE POLICE IN GENERAL, BUT I HAVE NEVER BEEN IN A POSITION REALLY TO COMMENT, BUT I AM PLEASED TO SEE SOME THAT I KNOW FROM THEIR SCHOOL DAYS IN UNIFORM
209	IN MY YOUNG DAYS THE POLICE WAS A FRIEND OF THE PUBLIC. NOWADAYS IT IS NOT. FOR EXAMPLE IF SOMEONE IS COMMITTING A PARKING OFFENCE AND YOU CALL THE POLICE WHEN HE COMES. THE POLICE AS YOU IS YOU WANT TO REPORT HIM/HER. WHEN IN FACT THE PERSON IS COMMITTING AN OFFENCE
219	MUCH HAS BEEN DONE FOR THE COMMUNITY BY THE RGP. TO ENSURE CONFIDENCE AND TRUST TAKES TIME.
235	I often hear that not enough is done especially when it comes down to antisocial behaviour
248	I haven't heard anyone saying their confidence in policing has risen. Most people have confidence already, but I don't think it has improved. Certainly regards traffic flow I think everywhere appreciates the hard work they do
276	THE RGP SET OUT THEIR TARGET, THEY DO NOT CONSULT ENOUGH WITH THE PUBLIC. THEIR ATTITUDE IS THIS IS WHAT WE DO, WE KNOW WHAT WE ARE DOING, WE DO NOT NEED ANYBODY TO TELL US WHAT WE SHOULD DO
283	AGAIN I FEEL THAT THEY ONLY GO AFTER THE PERSONS THEY KNOW WILL NOT CAUSE THEM PROBLEMS IF I CAN SEE, AND KNOW WHO THE TROUBLE MAKERS ARE, THEY AS PROFESSIONALS SHOULD ALSO KNOW
289	POLICE SEEM TO TARGET THE WEAKER ELEMENT IN SOCIETY AND IGNORE THE REAL OFFENDERS IN OUR SOCIETY
292	GIB IS A VERY SMALL PLACE AND THERE ARE MANY AREAS THAT ARE ABANDONED. AT NIGHT GIB IS NOT A SAFE PLACE ANYMORE FOR YOUNG PEOPLE TO WALK HOME AT NIGHT. TOO MANY SEXUAL ASSAULTS LATELY. VERY SCARY
294	THE SITUATION IS THE SAME IN THAT WHILST I HAVE NOTICED NO SIGNIFICANT IMPROVEMENT IT REMAINS POSITIVE OVERALL
303	same as previous question
314	LACK OF RESPECT ON THE PART OF THE PUBLIC
326	there are many members of society that I feel still have an inherent disconfidence in the ability of the police. Personally I do not share that view but I know many that do
332	unapproachable attitude. Abuse position. Do as I say not as I do policy
350	SOME POLICE CONSTABLE ATTITUDE TOWARDS THE PUBLIC ARE A BIT ARROGANT
369	I THINK WE CARE TOO MUCH ABOUT PETTY CRIMES
372	SHOULD BE MORE APPROACHABLE AND FIRMEDLY WITH THE PUBLIC. UNDERSTAND THAT IF YOU HAVE COMMITTED AN OFFENCE THEY HAVE TO BE STERN, BUT THEY CAN ALSO BE MORE HELPFUL
373	SAME AS WITH PREVIOUS COMMENTS ON TOBACCO SMUGGLING
374	NEVER ONE AROUND WHEN YOU NEED ONE AND THE OCCASIONAL BRUSH OFF WHEN APPROACHING THEM WITH ANY OPINIONS
383	IT IS MORE A PERSONAL FEELING I GUESS, TO DO WITH THE FACT THAT WE LIVE IN A SMALL COMMUNITY IN WHICH EVERYBODY KNOWS EACH OTHER AND SOME PEOPLE ARE GIVEN PREFERENTIAL TREATMENT AND SEEM TO BE ABOVE THE LAW
389	MORE POLICE PRESENCE IS REQUIRED TO ENSURE LESS ANTI-SOCIAL BEHAVIOUR, VANDALISM AND DRIVING CARELESSLY
413	I PERSONALLY DO NOT SEE THE POLICE AROUND ANY MORE IN THE LAST 12 MONTHS

Reference Number	If you believe public is not satisfied with RGP, why not?
414	I HEAR PEOPLE ALWAYS TALKING ABOUT THE SAME THING THAT THEY CALL THE POLICE AND THEN NEVER COME ON TIME, OR THEY DONT COME AT ALL
425	today I saw a police oofficer checking 3-4 motorcycles illegally parled and he just walked away! No fines!
430	more effective policing on area of cornwalls
437	I THINK SOME OF THE TOWN POLICEMEN ARE ALWAYS ARROGANT AND AGGRESSIVE
443	difficult to say but social conversations do not suggest great confidence
451	as before
456	YOU OVERHEAR PEOPLE COMPLAIN ABOUT LACK OF CONSISTENCY IN ADDRESSING EG SPEEDING ETC
457	MORE PATROLLING MORE TRAFFIC CONTROL LAWS MORE STRICT AND NOT PUT UP WITH ANTI SOCIAL BEHAVIOUS
461	NOT ALLA OFFICERS ARE THE SAME, BUT IVE SEEN SOME TALK TO THE PUBLIC IN A RUDE MANNER EVEN SWEARING WHILE THEY TALK
464	because when you call for assitance they take too long to answer the telephone and by the time they do answer you get they are busy and will send someone when they can ....and attack the respective persons they have no ...for what the should have they go after the .....crime.
469	not transparent! Witness the "lost" cocaine in the store. What happened there?
471	when talking to people they complain a lot
472	youth wouldn't break the law as much if they had more confidence in the police
473	If youth had more confidence with the police I don't think they would break the laws as much
475	no they are very rude at times and the public therefore don't have respect
476	same incidents happen every year
479	no they can be rude and take abuse of their authority
483	same reason as before
507	many people don't have a fgood relationship with police, ive heard many complaints
508	young people driving dangerous by doing stunts and at times I have seen more them on bike at a time speedil. Almost as if they are having a race on the road
512	SPEEDING CHECKS MORE CONTROLLED. INTRODUCE PENALTY POINTS INTO LICENSE SYSTEM. TACKLE UNDER AGED DRINKING (AS CHILDREN OF 13 YEARS ARE ABLE TO PROCURE ALCOHOL EASILY)
536	ON CERTAIN SITUATIONS, CERTAIN PROBLEMS HAVE NOT BEEN HANDLED WELL SUCH AS TOBACCO SMUGGLING EVEN THOUGH THERE HAVE BEEN ATTEMPTS TO STOP IT, IT HASNT WORKED
547	GIB IS A SMALL PLACE AND EVERYONE KNOWS EVERYONE
553	*THEY SHOULD CONTROL SPEEDING, UNDERAGE DRINKING AND DRUGS. *IN THE CASE OF UNDERAGE DRINKING THERE ARE MANY POLICEMEN WHO DO NOT TAKE ACTION WHEN THEY SEE SOMEBODY DRINKING WHO ARE UNDERAGE
566	I DONT BELIEVE THAT MANY OF THE YOUTH HAVE ANY RESPECT FOR THE RGP
568	A LOT OF POLICE SCANDALS. IF THE POLICE ARE BREAKING THE LAW HOW CAN THE PUBLIC TRUST THEM TO ENFORCE IT?
569	YOU ARE ALL RELATED SO NO ONE LIKES EACH OTHER
583	THE PUBLIC VIEW THE POLICE AS ENEMIES
608	very unsocial
624	for police to be in areas needed for the crime their wishing to avoid. Underage drinking? Casemates. Speeding? Devils tower. They are slightly uptight. To prioritise the main issues in Gibraltar and tackle them one by one
627	it can be better but because of corruption it isnt helping
634	they are considered too lazy
635	the apathy the police show towards the public is reflected back. If the police do not meet the public's needs, how is the public supposed to be satisfied with their performance/role?
638	they could enforce the policing more strongly
642	because they don't do a good job
643	too many cruimes go on without any action from the police

Reference Number	If you believe public is not satisfied with RGP, why not?
648	THEY ABUSE THEIR AUTHORITY AND TAKE MORE INTEREST IN MINOR THINGS RATHER THAN LOOKING AT THE BIG PICTURE
652	DEPENDS THE POLICE, DEPENDS THE PERSON. SOME MAY ABUSE AUTHORITY
653	SOME POLICE MAY WHEREAS SOME MAY NOT
694	THEY DONT BOTHER
722	because the majority of the population disagree or don't get along well with the police. Anms some police abuse authority
725	I think because the conduct of police in the past hasn't been very good, the public have lost confidence in them and this will take time to regain
733	there was a lampost at a 45 degree angle outside my house that was reported 3-4 times and it took 2 weeks to be removed
738	by thinking its free
740	some people report things and no action is taken
741	the police are taken as a joke and don't tackle the main issues such as border issues
742	due to abuse of their authority they wont perceive a good relationship
743	because I have heard many people complain about the police
745	I believe its because we know eachother so well and not many of the people would like to explain their problems to them. Also because they abuse authority
746	police know people and information gets round. I also feel the police are involved in a lot of cases and because they are police they hide a lot of things
749	they key issues in giv (drungs, incursiosn and antisocial behabviour around the frontier) seem to persist year on year, perhaps not so much with regards to drugs
754	issues with rudeness problems not tackled promptly enough
755	too early to write
758	have you read one newspaper lately?
761	bcause some police don't respect the public so the public and police don't have a good relationship
762	people may not like officers when they are fined by them
763	because I feel they are disrespectful
OL227	Comments on Facebook groups go to show this. It seems that there is one law for locals, and another for visitors. To be taken seriously with respect, laws should be applied alike to all. If a local were to go fishing with nets, would he be told to just move along? Or would he be landed with a fine, and subsequent court appearance? Spanish vehicles parked illegally. Told to just move on, or fined?
OL228	I cannot speak for the rest of the public, but I can say I have lost trust in them when I see what I see on a daily basis.
OL231	The RGP are slow, arrogant, and are more interested in taking photos with tourists than doing their job
OL233	See my last e-mail. Failure to maintain equality in how they process offences.
OL234	see my answers re bad driving in gib.
OL240	Until the RGP take serious and appropriate action in relation to constant breaches of BGTW by the Spanish, and clamp down on the disgraceful site at the frontier, in respect of tobacco smuggling, and the general problem with litter from it, the public's opinion will not change.
OL241	I think there should be more presence in our streets especially down in Casemates Square and at night
OL258	They suck
OL263	As per previous statement
OL269	The ongoing problems with illegal fishing and the lack of enforcement of Nature Protection Act has caused the confidence to drop with the general public
OL272	I see no 'improvement' in the police at all. The RGP are still allowing daily incursions by armed para-military launches within BGTW
OL287	If, as a member of the public, I can say I have dissatisfaction about anything then it follows that something isn't good enough. My father was a Superintendent in Manchester Police and my husband is an ex-policeman... we both notice things!

Reference Number	If you believe public is not satisfied with RGP, why not?
OL289	Because if nothing is done on environmental issues on land and on the sea what sort of public confidence are we trying to achieve when the Police is dictated by the Governor and FCO! Too many boats for nothing!!
OL291	The Police are VERY dismissive of Illegal Spanish Net fishing in BGTW, reported myself, watched RGP attend and do nothing! THEY ARE BREAKING THE LAW. If it was a Gib boat, arrest would surely be made.
OL293	Recently the whole policing has degraded profoundly. No longer is the victim looked after but actually doubted. There is no follow up and no one cares!
OL295	As I said before you don't see many police officers around, so you can't build a relationship with them.
OL300	same reasons expressed earlier - lack of control scooter disregard for safety riding
OL307	You should know better than I
OL312	Failure to stand up to repeated incursions leave boat owners and other persons who use BGTW at the mercy of armed paramilitaries, with the ever present risk of kidnapping and being taken to a foreign jurisdiction, when foreign state agencies have no lawful authority to exercise jurisdiction in our waters, which they do on a daily basis. This creates fear and lack of confidence in the police. Of course the Royal Navy is principally at fault as it should be up to the military to repel armed incursions. The RGP cannot 'cooperate' with a foreign, armed vessel in BGTW when it is committing a crime by being in our waters. The Guardia Civil should be arrested for carrying firearms and impersonating police officers.
OL314	The Police appear to be unapproachable
OL324	It is evident from social media that the public are not happy with the RGP and nor is the confidence at a satisfactory level. Zero tolerance for locals yet foreigners are not facing justice.
OL330	Unfortunately my experiences over the last 2 years, in relation to ongoing anti-social behaviour issues, has left me with little confidence in the police to protect me and my family, act impartially and uphold the law. We have had evidence to prove those responsible for the anti-social behaviour have lied to police on several occasions and yet no action has been taken.
OL339	dont have as good of a relationship as they could have due to little officers abusing their job titles and using for wrong reasons
OL362	high and mighty. Too many get promoted. too few do a job. nothing is visible. every little issue is blown out of proportion and insident reports are written for absolutely no purpose.
OL369	The police are seen as not being effective in many areas, including drug control and control of antisocial behaviour. Unfortunately the physical characteristics of police officers is also something that the public ridicules, and I believe that the general concensus is that a lot of the newer officers are a joke. Personally I respect the police and am bringing my children up to respect the police, but a lot of my generation do not share my opinion.
OL379	The police need to be more visible in the community.
OL385	Depending on the police guy! have seen comments on facebook of a police guy on a Friday night making stupid comments! They should set out a good example so that others can follow.
OL389	It's better but there is still room for improvement. They are on the right track though.
OL391	Need a lot of public confidence which is lacking, especially when you see people walking the street after stabbing someone. Out to do it again which happened!
OL399	Some still have no idea what manners are
OL408	No comment
OL410	general feedback
OL421	Less police officer are seen walking the streets and whenever they are seen they are seen in two and three in vehicles
OL427	because you are all useless
OL434	they are never around when you need them,they only seem to target locals when it comes to traffic offences

Reference Number	If you believe public is not satisfied with RGP, why not?
OL446	The current and ongoing pathetic behaviour from Spain, specifically the queues at the frontier, smugglers taking over areas in the vicinity of tobacco shops and not just in the estates, are areas the public feel the Police are failing in without completely understanding the parameters the Police must work within. The Marine Section takes a knocking too in any discussion concerning Spanish incursion in BGTW. Educate the public so they are aware of what the RGP can and cannot do. Don't let they keyboard warriors on Facebook trash the RGP any longer.
OL456	Peoplw which are low lifes or mostly live in a goverment flat...will never like you. Us normal people have been brought up to respect you.x
OL457	How can the public have confidence in the police if there are none on the streets. There is no interaction. Seeing officers taking old ladies for walks or painting egg or playing bingo is not the job of a police officer that is a waste of police resourses.
OL459	How can relationship improve with the public....we have NO contact with officers.....gone are those times when officers where seen walking around at all times of day and night. I have a better chance of seeing a UFO.
OL463	Because they think that they are above the law themselves
OL473	Improving relationships does not mean "softening" . If people report concerns or problems, it's for a reason. If the police take the "easy option" and move people on, (saves the paperwork) law abiding citizens lose faith and get frustrated.
OL479	They do not interact with anybody they just stand there. How can you relate to someone that does nothing other than this?
OL487	Respect has to be gained first then confidence and I do believe from what I hear that is not the case.
OL504	I have no confidence in the police when you witness on a daily basis open and blatant cigarette smuggling happening without the police doing anything!
OL507	I don't think many people respect the police. Possibly part of this is because of the justice system and how people are sometimes let off for crimes. We need to be strict to gain respect and for people to be more wary of the law/police
OL511	NO IMPROVEMENT AS THE POLICE ARE VERY YOUNG, AND HAVE NO EXPERIENCE IN REAI LIFE SITUATIONS.
OL538	Because when I hear ppl complaining about the police force they are moaning about pretty much the same things as they would have a year ago. IE smuggling
OL542	As above.
OL557	no improvement seen
OL566	Respect for the Police in Gibraltar has never been high, as it is seen to be a closed shop in which you progress if you are member of a certian Free group.
OL581	because i feel that if you are not Orignally from gibraltar you are the person that is in the wrong when a gibraltarian is involved.
OL582	talking to my neighbours they are of the same opinion that police do not enforce the existing laws such as traffic offences, dog fouling, illegal fishing etc
OL585	Most view the police as being anti non locals
OL587	I don' have any evidence of any perceptible movement ether way.
OL592	Through the grapevine the overall public opinion of the rgp is negative
OL593	same again
OL597	Cause the RGP is corrupt, hides the truth, drugs go missing from their store and are then sold to our kids.
OL602	People has now lost confidence in the system to the extent that they dont even complain anymore as they know that they get away with anything. Its always their word against the public and they are always beleived. So why bother. Beleive you me there is a lot of rudeness and lack of real police work. Only interested in public relations exercices.

Reference Number	How do you feel the police could improve their service to the community
OL582	1. cameras on the road 2. cameras in areas where cigarettes and drugs are stashed in cars on eastern beach 3. more visibility on eastern side esp regarding speeding and ticketing of such 4. ticketing people with dogs on beach 5. ticketing people whos dogs foul the beach and streets 6. ticket people that litter the streets 7. stop illegal fishing on the beach
463	1. by stronger enforcement of laws and ASB. 2. surely the time for warnings is over. 3. more speed cameras (if it exists) to reduce dangerous driving. 4. why not impose fixed penalty fines (on the spot fining) for traffic violations. 5. one of the worst violations occurs at the glaxis road junction from the airport. the stop sign is more often than not ignored and yet the police do nothing (one day a serious accident will happen). 6. the police ignore double parking, stopping within zig zag lines (pedestrian crossings), use of mobile phone, ignoring simple traffic signs (ie no entry/no left/ right turn) 7. the laws/ordinances must be enforced without fear or favour.
451	1. more training. 2. a change to some laws. 3. stricter enforcement. 4. more of their presence!
166	A BIGGER CONTROL IN THE TOBACCO SMUGGLING AND DRUGS. BARS SHOULD NOT SELL ALCOHOLIC DRINKS TO UNDER AGE
OL324	A hard line, use the stick and make it be heard that there is a tough crackdown on all issues occurring and that the police are not a force to be reckoned with in this day.
426	a more visible presence at housing estates (where much antisocial behaviour is bred and reinforced) maybe: enhanced community constable service
135	a police officer outside all schools at closing time every day to stop bad traffic and make it safer for children walking home. Please!
195	A POLICE PRESENCE IN THE MOTHERCARE CROSSROAD WOULD IMPROVE PEDESTRIAN SAFETY IN THIS TRAFFIC FUNNEL, DETER CYCLISTS, SKATEBOARDERS ETC FROM USING MAIN STREET, HELP PROJECT THE IMAGE OF A BRITISH GIBRALTAR PARTICULARLY TO TOURISTS.
OL595	a small minority need to be more polite when dealing with the public.
274	A WEBSITE OF PICTURES OF LOST PROPERTY.... KEYS ETC. THE PUBLIC COULD THEN IDENTIFY GOODS WITHOUT USING UP POLICE TIME
OL289	About time you listened to our community and did something about OUR concerns!!and not the UKs relationship with Spain.
102	abuse by some of the new officers or policeman real abusive
232	action being taken against members of the public making false allegations against police officers to distract from any offences which they may have been reported or arrested for.
OL296	Actually they should spend less time trying to "be a friend" and more time on core functions
152	ADDRESS THE DOG SHIT AND URINE ISSUE EVERYWHERE
OL394	Already good. No improvement needed
OL562	Although communication with the public has greatly improved via twitter, facebook and the radio a little more thought has to go into telling motorists a particular road is closed WELL BEFORE arriving at road closure. An old fashioned sign somewhere at a junction which gives you the opportunity to change your direction well in advance would be helpful. For eg. Dudley Road tunnel closure due to rock fall was only signalled once you got to the roundabout by the mosque. It would have been handy by Rosia Plaza which would have given us the opportunity to do an about turn and go the other way. It was on the traffic summary on the breakfast show with Ben Lynch apparently but I missed it. Basically an old fashioned road sign WELL BEFORE whatever diversion is in place.
OL392	always you can improve things
OL447	Apply the law to EVERYONE! Not just locals
OL593	arrest all spanish fishermen and policeofficers who enter our waters
OL542	As above.
90	at present I dotn think it ca be enforced as the service is outstanding
OL240	At present I think its out of the RGP's hands. Until the politicians have the backbone to make a stand for Gibraltar, how can the RGP improve the service to the community, when they are simply following guidelines from Government.
OL282	Attend schools for talks showing graphic images resulting from accidents due to speeding or people with drug problems etc
715	ATTITUDE TOWARDS PEOPLE, ESPECIALLY YOUNGER OFFICERS
735	be better trained and enforce stricter laws on underage drinking
601	be friendlier?

Reference Number	How do you feel the police could improve their service to the community
739	be less human and place a bigger emphasis on justice
496	be more aware about the amount of underage drinkers and the amount of people who are U16 and going into bars and clubs
44	be more effective and prominent
719	be more efficient in reaching people in time of need
21	be more open with the public instead of only being there to catch and report. Visible speed cameras like they have in uk to slow you down. Less cockiness by the younger police. They spoil it for the older ones who mostly do a good job
OL413	Be more open with the public, less looking down at us only because the are serving the crown. Control there tone of voice when talking to a civilian. It seems that the open and friendly officers will remain as PC'S throughout however if you have a bad character and talk down at people then you are guaranteed a promotion.
OL524	Be more visible
OL463	Be more visible and be involved more
OL334	Be more visible in schools. Let children gain confidence in the police from an early age. Liaise with health department and act quickly when a person is officially unable to take care of themselves and/or be a hazard to others.
608	be nicer to people being stopped. Employ more police
OL585	Be professional and do the job that they are over paid for
OL291	Be seen to be policing BGTW effectively. Be seen to be actively discouraging dangerous driving/speeding/illegal parking effectively. Laws are made to be enforced, not ignored by the police.
OL507	Be strict to earn respect. Those who moan and fear the police are those that do wrong
OL280	Be stricter with the availability of alcohol to underage drinkers.
414	BEEN MORE AROUND THE ESTATES
754	being closer to the community. Not forgetting their human side
161	BEING MORE ACCESSIBLE TO THE PUBLIC
350	BEING MORE FRIENDLY AND HELPFUL WITH THE PUBLIC
383	BEING MORE TRANSPARENT. AND DEMANDING MORE RESPECT. OFFICERS NEED TO TO KNOW THAT ONCE IN THE FORCE THEY ARE OFFICERS BOTH WHEN IN UNIFORM AND AS A CIVILIAN IN NIGHTCLUBS ETC. THEY HAVE TO EARN THEIR RESPECT 24/7.
OL587	being more visible..to fair I seem to see many more beat officers and at night time..than ever before.
711	BEING NICER AND MORE HELPFUL IN THE POLICE STATION WHEN REPORTING A THEFT OR SIMILAR
429	being seen. Speaking with respects to the public. Not being on the defensive more politeness to the spanish ....
638	being stricter with things like underage drinking and road safety
13	being stricter with traffic violations
OL269	Better law enforcement
OL602	Better leadership starting from the top
OL434	better manners some are so rude,more visible,stopping all traffic offenders not just locals and youngsters.
43	better suctomer services. Pcs should be trained on how to deal with community efficiently and politely. More police presence in estates. More contact with minority groups.
OL259	bgtw is also gibraltar so act accordingly
740	by acting as professionally and disregarding the fact that they know everyone
OL316	By at least visiting estates randomly and asking people what concerns they have in their particular areas.
29	by attending promptly when called and not 2-3 hours later
178	BY ATTENDING REPORTS AND APPEARING ON SITE FOR INVESTIGATION.
732	by being even more involved with the public than what they already are
474	by being more positive with the community
751	by being more present in the area that have the majority of problem such as the upper rock, devils tower road etc

Reference Number	How do you feel the police could improve their service to the community
263	by being more visible. By prevention. By interacting more with the vulnerable. By using powers of discretion and warnings for minor misdemeanours. By emphasising to the judiciary the concerns of the public regarding those crimes brought before it
118	by being policemen to all
120	by brining in a uk commissioner and showing them how to police effectively. Non of the top ranks are in anyway knowledgable . The present commissioner is too laid back and a waste of space
OL252	By combating those crimes that are causing an excuse for harassment of our citizens at the frontier. For example cracking down on the tobacco smugglers who are so obvious when they are performing their crimes. People loading cars with tobacco and people who you can always see shoving tobacco down their trousers on Winston Churchill Avenue among other places.
OL382	By coming down more to the level of the public , when at times their right of authority is misused.
OL241	By confronting the issues out at sea and the tobacco smugglers around the estates and at the Frontier because its disgusting to see them exposed while they conceal the cigarettes around their bodies in the open for all to see and then the rubbish they leave behind
276	BY CONSULTING MORE
OL421	By directing traffic properly when performing traffic duties. Challenging people when they see offences being committed.
478	by employing more police officers
164	BY EMPLOYING MORE POLICE OFFICERS TO DEAL WITH TRAFFIC
OL511	BY GETTING MEN AND WOMAN 25 AND OVER TO JOIN THE SERVICE FROM DIFFERENT BACKGROUNDS, LIKE FROM FIREMEN, NURSES, AMBULANCE CREW ETC, THEY KNOW HOW TO DEAL WITH DIFERRENT TYPES OF LIFE SITUATIONS
OL597	By getting rid of 90% of senior RGP and 50% of other ranks and replacing them with human beings who want to serve the community.
746	by haing more people from outside be police. They wouldn't know everyone in gibraltar
484	by having a more positive attitude towards the community
640	by having more officers n duty around any areas of the city to ensure public safety
211	BY HAVING MORE PATROLLING STREETS, ESTATES, ESPECIALLY AT NIGHT
OL451	by helping more ej: when someone phones and needs a kind of help not to take so long to come
95	by helping to try and get complaints from the public dealt with. At the moment they just put in a report. They have done their bit and that's it
163	BY IMPROVING HANDLING OF PEOPLE WITH HEARING DISABILITIES AND PROVIDING BETTER ACCESS TO SERVICES FOR HEARING IMPAIRED.
104	by installing more CCTV cameras. I think the act as: a detrent against crime. And an aid to achieve convictions
374	BY LISTENING AND FOLLOWING UP ON ANY QUERIES PUBLIC MAY HAVE
OL234	By listening to us and not believing that everything is great in the la la land the police lives in here.
OL328	By listening, getting rid of people gathering near Eroski and cigarette places. Stopping the cars parking on Devils Tower Rd. Where they should not.
528	BY MAKING A MORE POSITIVE APPROACH TO THE COMMUNITY
460	by more patrol around estates and housing areas
OL364	By not being biased
OL312	By not discriminating against Gibraltarians and enforcing our laws when Spanish nationals flout them routinely.
227	by patrolling mor at night time and looking at cars and motor bikes not going wrong way and improving streets that are dark until in the morning time and more observed
442	BY PAYING ATTENTION TO MINOR OFFENCES (IE LITTER ETC) ISSUERECORDED WARNINGS SO THAT A REPEAT CAN BE REPORTED FOR FURTHER ACTION. THE WORD SOON GETS AROUND
261	by paying more attention to simple complaints
57	by policing estates not in cars on foot
OL538	By regularly policing the estates which are known to be smuggling hotspots and by continuing and further extending operation roadwatch.

Reference Number	How do you feel the police could improve their service to the community
72	by seeing them more frequently on foot and not as they are seen on patrol cars wasting tax payers money
744	by stop being the public enemy e.g. if they see someone park moped in place they shouldn't, they should inform the owner not wait for them to leave and book them so they cn add reports and stats to their system
482	by stopping tobacco smuggling for example, I have witnessed people in government estates smuggling tobacco
453	BY TAKING MORE NOTICE OF WHATS HAPPENING AND NOT JUST WALKING ABOUT AND THAT IS WHEN WE SEE ONE WHICH IS VER RARE AND WHEN YOU DO THEY ARE TALKING TO FRIENDS IN THE STREET
4	by treating us with more respect
105	by trying to befirned people from all walks of life
464	by using their....and force in going after the big ...not the.....
128	catch dog fouling - clamp down on mobile phone use and impatient driving
606	check the age group of individuals entering clubs and drinking alcohol
425	clean up their act
OL357	continue community based policing. clamp down hard on serious offenders but be there for ordinary citizens in private estates who have 'minor' problems with neighbours and antisocial behaviour. it gives wrong impression of police when they do not attend private estates legitimate non criminal issues and disputes
493	continue to try and better their relationships with the public to help address and deal with publi concerns
311	control underage drinking taking place in the streets. Tackle careless speeding at night times
48	deal with the tobacco runners in the gib side of the frontier - they are a menace. Toleration of them send the wrong message to the public, childrem and visitors
181	DEALING WITH DRUG AND ALCOHOL PROBLEMS
OL279	Depending on the circumstances, maybe some informality would help to get people feeling more comfortable around them. Although they do already do that.
OL368	Discretion is essential to good Policing.Prevention being just as essential.I dislike it when officers hide for example with the speed camera to catch people out. High visibility=prevention.
467	do more to prevent smuggling of cigarettes to spain by patrolling places where cigarettes are stwoed away in cars and motorbikes before dirving to spain e,g, by cemetery, along road by scrapyard beyond DTR by eastern beach
257	doing excellent job already
49	don't know
230	don't know
471	don't know
722	don't know
OL363	Don't know
731	drinking. Underage drugs
303	drop their arrogant attitude
184	ENFORCE DOG FOULING LAWS
550	ENFORCE THE WRECKLESS DRIVERS MORE. ALSO PAY MORE ATTENTION ON FRIDAY NIGHTS
42	enforce traffic violations warnings have no effect. Constant traffic violations along harbour views roads. Now used as a two way road
OL263	Enforcement of anti social and drug laws. Stop marketing themselves on insignificant things to hide their inability to fight crime.
593	ENLIST QUALIFIED PEOPLE AND TRAIN THEM PROPERLY. NOS SCHOOL DROP OUTS
534	FASTER ACTION HAS TO BE TAKEN, ESPCIALLY WITH EASTERN BEACH TOBACCO CONCERNS
724	focusing more on traffic and careless drigving e.g. speeding, driving e.g. speeding. Driving under the influence, etc to improve road safety
302	further enforcement of the law or additional police presence is needed at the North District due to the sell of tobacco

Reference Number	How do you feel the police could improve their service to the community
OL459	Get out and police. Stop wasting my time and tax money. The officers all seemed bored, and tired, they have no interest, and certainly do not go out looking for work but seem to try and avoid at all costs. The most energetic thing I have seen an officer do in Main Street which was a fleeting visit on their behalf was text for over 5 minutes. The police cars are used only to get from A to B and nothing more as I no longer have the pleasure of seeing officers patrol. It has been over 9 months since I have seen my Neighbourhood officer. Yet we keep getting more and more departments.....now the Dog Section....one dog kept by the Commissioner after it was retired as soon as it got of the plane, the remaining are only seen at kids events. lets have more officers out in the streets, let them stretch their little legs and walk about and lets have a force to reckon with rather than one we laugh at.
OL457	Get out there do the job you are paid to do tackle crime, antisocial behaviour and catch criminals!!!
511	GET TO KNOW THE PUBLIC MORE
509	get to know the public more, more social with them
330	gib is a very hard place to police. Rgp try very hard to do it as best as they can. However, there are areas for improvement. Although gib is a safe place, they should never keep their guards down. Tobacco related matters should be clamped down no matter the implications
487	give priority to cars rather than pedestrians outside loreto convent school as very large traffic jams are formed
OL378	Greater Law enforcement with traffic and loitering at the frontier
204	GREATER PRESENCE ON THE BEAT MIGHT HELP BOTH POLICE AND PUBLIC TO KNOW EACH OTHER MORE THAN AT PRESENT, BUT I DO REALISE POLICING HAS CHANGED AND THERE ARE FINANCIAL CONSTRICTIONS
96	have a greater presence and get public involved
725	have a greater presence on the streets of gibraltar and consult public opinion more often
OL535	have more men and ladies patroulling on foot through the *hot spots*
517	HAVING MORE POLICE ON FRIDAY NIGHTS, AS UNDER AGE DRINKING IS A PROBLEM
67	high visibility policing
OL493	High visibility policing
OL257	Higher visibility patrolling neighbourhoods on foot. There are key times during the day when this would be more effective than others.
142	I am happy with the current service they provide
255	I believe in general that the RGP is doing a very good job, they have and enjoy a good woeking relationship with the public they serve, much more so than in other jurisdictions
138	I believe that the police should do more patrols on foot ....from the cars like in the year 60s and 70s
OL572	I believe that there are known areas and times when & where the smuggling takes place and policing should be present
OL570	I believe the police force are an integral part of Gibraltar and what it represents. Some members of the force could be helped by further education in courtesy and good manners. They need to be aware that when wearing their uniform they are a part of an official body and their own personal views or opinions should be kept to themselves. "Well, I think or I am fed up with people who..." should never form a part of their vocabulary and unfortunately, this is not the case in many incidences and this does not help matters. When wearing the uniform you need to stick to the law and nothing else. This would also avoid a great deal of unnecessary upset.
OL488	I believe the police is constantly striving to improve their service to the community.
514	I BELIEVE THERE IS STILL A STIGMA ABOUT APPROACHING POLICE OFFICERS, HENCE, I FEEL THAT MAYBE THE POLICE OFFICERS MAY NEED TO BE MORE APPROACHABLE
180	I DO FEEL MORE IMPORTANCE SHOULD BE GIVEN TO NOISE POLLUTION, BAD PARKING, PARTICULARLY MOTORBIKES. AS A RESIDENT OF THE TOWN AREA, NOISE AND PARKING HAVE A GREAT IMPACT ON MY DAILY LIFE - MY QUALITY OF LIFE HAS DROPPED CONSIDERABLY LATELY
402	I feel it has improved its services to the community especially communication with the public through twitter/facebook informing public of concerns etc

Reference Number	How do you feel the police could improve their service to the community
OL325	I feel that the police are making an effort to interact more with the community and are also trying to address some of the community's concerns - they are also moving with the times especially as the public can also interact with them via social media - especially community policing with the question/answer sessions - I think it is a brilliant idea
OL284	I have put don't know because I think that all law abiding people (like me) have confidence in the Police and think they do a great job all round. Whereas those that aren't law abiding seem to not care how many fines etc they get. I also think there should be a point system (with Vehicles) as people seem to think they can drive how they like, park where they like etc... I have noticed a lot more is going on so there are some improvements .
430	I have reported numerous cases of dog fouling on the door of a house of worship and the RGP has dragged its feet and done almost nothing. To my knowledge, and despite GoG having cameras in engineer lanem, the RGP has not prosecuted anyone. Even though this is confidential, i am happy to discuss this. Gabriel Belilo 54765000
23	I have witnessed cars crossing on a red light and seen a police car on opposite side yet they "didn't see" the two cars jumping the lights
413	I LIVE IN LAGUNA ESTATE AND WORK IN THE SCHOOL AND THE TOBACCO PROBLEM IS HUGE. SPANISH CARS PARKING IN OUR PLACES UNDERSTANDABLE TYPE PEOPLE HANGING AROUND
326	I think at the stage they are mainly towards a better and improved service, this should continue and surely this will only improve their ...and standard of the service
491	I think if they went around the community more and give talks and show hiw nice they are
758	I think police should be brought in from other countries as I feel that gibraltarian police are too comfortable and relaxed and know members of public too well. I have instances f antisocial behaviour are policemean on duty knew the mean involved and didnt take them in to the station and just said "guys cut it out, cos si no im going to have to take you in and since i know you i dont want to do that
154	I THINK THE POLICE ARE POLITE AND VERY APPROACHABLE. WELL DONE
210	I THINK THE SERVICE HAS IMPROVED GREATLY IN RECENT YEARS WITH FOR EXAMPLE THE DISTRICT MEETINGS AND THIS SHOULD BE MAINTAINED. ALSO, I THINK MORE USE OF CCTV IN PROBLEM AREAS WAVED HELP IN THE FIGHT AGAINST ANTI SOCIAL BEHAVIOUR. CCTV AT ZEBRA CROSSINGS WAVED ALSO AND THE POLICE TO MAINTAIN ROAD/PEDESTRIAN SAFETY
85	I think things are ok
OL525	I think to continue being involved, such as the talks they do in school etc. I also feel that their is a strong police presence in Gibraltar and that visibility is important.
19	I think we should have a harder police and not one that polices by the chronicle. That is, think the RGP is too concerned of what the public will think
OL446	I'm sure the RGP feel like they are wading through mud. They are the ones to be called by the public and the first ones to be blamed by the public. It goes with the job. Keep wading through the mud - you'll get there eventually but I can't suggest anything to help you.
551	IMPLEMENT PENALTY POINTS AND SPEED CAMERAS
OL231	Improve technologically: 1. When booking cars (especially non-gib vehicles) log the reg with the border and charge the cars prior to leaving Gib. This can be done using car license plate sensing cameras alerting the border that a car has a fine outstanding. 2. More cameras around traffic lights (eg Regal House) and book cars post traffic offence based on footage from those cameras. 3. Again cameras to catch and fine cars stopping in the middle of roads to let people off, or even worse to chat with someone going in the opposite direction. Such changes cost money, but the benefits to Gibraltar as a whole would be worth the Government allowing some of the monies received to go towards paying for the technology and people required.
OL275	Improved approach to court work to get more convictions from arrests.
486	improving traffic flow. Having moe of a presence at the frontier
461	IN MANY WAY BEING POLITE , RESPECT, IF YOU WANT TO BE RESPECTED
519	IN THE MORNING HAVE POLICE CONTORLLING TRAFFIC
6	in the south district never seen officer on foot patrol. At least they should come round at irregular intervals

456	IT IS DISHEARTING TO HEAR OF CASES IN COURT THAT HAVE NOT (IT APPEARS) AS PROSECUTORS BEEN COMPLETED OR COME TO A SUCCESSFUL END DUE TO INEFFICIENCY IN THE EVIDENCE PRESENTED/TECHNICALITIES
498	just to understand the situation in a physical attack
OL422	Keep the positive work and contact done with the youth to prevent anti social problems.
248	keep the victims informed of what (if any) follow-ups to investigations. Liaise more with the victims of crime
OL287	Know the law better, follow procedure properly, inappropriate behaviour whilst in uniform should be insisted upon and be proactive about searching out crime and civil offences.
321	law and order should be reinforced more diligently. Police should be more professional and not let their personal relations influence their duties. Hard for a close community like Gibraltar but at least try
352	LEARN TO LISTEN TO THE PUBLIC NEEDS ON CRIME
OL318	less corruption
194	LIKE I HAVE MENTIONED BEFORE, INDISCRIMINATE FISHING. I KNOW FOR A FACT THAT LOCAL FISHERMEN HAVE BEEN TOLD TO STOP FISHING AT ROSIA, BUT WHEN SPANIARDS ARE FISHING THEY TURN A BLIND EYE
OL270	Like I have stated on other areas of the survey I believe the RGP should enforce the law at sea
221	LIKE I PREVIOUSLY SAID, TOBACCO BUYING AND SMUGGLING BY SPANISH PEOPLE ON BIKES OR CARS CAUSES ROAD OBSTRUCTION, NOT ALWAYS BUT QUITE FREQUENTLY I THINK THIS SHOULD BE ADDRESSED MORE
199	LISTEN TO THE PUBLIC
647	LISTENING TO THE EVERYDAY CONCERNS OF THE GENERAL PUBLIC
526	MAKE SURE TO BE VIGILANT IN ALL AREAS OF GIBRALTAR ESPECIALLY WHERE PEOPLE ARE MOST VULNERABLE OR LIKELY TO ENGAGE IN CRIME SUCH AS DRUGS OR SMUGGLING OF TOBACCO ETC.

757	more anti drugs teams or similar
200	MORE BOBBIES ON PATROL.
445	more bobby on the beat sightings, most of the force are usually seen behind the wheel of a car or van - not very approachable like that

OL339	more officers on the streets
626	more officers upon situations which are a current problem
372	MORE ON TOP OF THE ENVIRONMENT SUCH AS REPORT PEOPLE WHO THROW LITTER IN THE STREETS AND DO NOT PICK UP DOG FOULING. MORE LENIENT WHEN CARS ARE NOT PARKED IN DESIGNATED PARKING AREAS AND NOT OBSTRUCTING DURING CHRISTMAS, WHEN VISITING FAMILY IN THEIR ESTATES DUE TO LACK OF PARKING

492	mostly when it comes to the border queue and organising the cars. Also by having regular updates to give people, and to not let people get angry or overwhelmed by the situation
OL479	Move more. And actually do something, and be seen to be doing something. I do not see them in any other situation than at the border. Never in Main Street or patrolling the streets.
174	MUCH TOUGHER ON TRAFFIC, PARKING, DOG FOULING AND LITTERING
OL410	my solution would imply sizeable investment from Govt
54	Need to be consistent when implementing the law, no matter with whom, gender, age or nationality
749	need to takcle antisocial behaviour at frontier
OL251	NPU 1 2 3 and 4 is the way forward keep it up
OL487	Old style community policing when we had the vehicle round the estates, as I said before I have only seen a beat PC in my Estate VB about 4 times in the last year.
270	ON FOOT PATROL ON SOME AREAS IE MAKING STREET AND ON THE ESTATES COULD BE BENEFICIAL

525	PAY CLOSER ATTENTION TO THE MISUSE AND SUPPLYING OR DRUGS. IMPLIMENT FIXED SPEED CAMERAS IN DANGEROUS ZONES AND POINTS ON LICENSES TO REDUCE TRAFFIC/ROAD ACCIDENTS
549	PAY MORE ATTENTION ON FRIDAY NIGHTS ETC. CONTROL THE PURCHASE OF ALCOHOL BY MINORS
443	perception is what people form opinions from. Perception is that police do not do enough with day to day policing i.e. traffic offences, cigarette smuggling (or litter)!
398	perhaps make the public more aware re: services of the police hand out flyers, have more leaflets for the public to read
113	perhaps on spot fines for everybody who litters or dogs fouling the pavements
OL417	Perhaps we require more police to patrol our streets and BGTW, also the law at sea has to be applied to everyone
123	permanent speed cameras
179	PLEASE PLEASE HAVE A MORE RESPONSIBLE STRATEGY TO 2-WHEELER DISCIPLINE. ON THE SPOT FINES FOR LEFT OVERTAKING, OVERTAKING AT PEDESTRIAN CROSSINGS, EXCEEDING SPEED LIMITS.
11	please split to patrols (daytime) to single officer, when they walk in pairs they are too engrossed in their conversation and ignore what around them. Also they would cover twice the area individually
OL481	Police need to come closer to the general public and the approach especially with the youth needs to improve. although much better there is still some abuse of power and a LOT of inconsistencies. I realize that Gibraltar is a small place but this is NOT acceptable to the general public. There isn't anything more annoying than unfairness and there is a lot of that
OL566	Police on the beat need to be outsiders non Gibraltarians, from any where in the commonwealth two or three year transfers then we might get some proper policing
OL468	Police our waters against the Spanish
479	police outside westside
475	police outside school to help abuse to learners trying to find a parking stop
OL300	police the roads with more determination to stop the scooter free for all mayhem

OL438	Should approach teenagers and be able to communicate better.
88	show ppl why you have stopped them driving and explain the correct way of driving especially when most people ni gib go into a roundabout in the wrong manner and accidents are just waiting to happen. To report is not good
OL362	Show respect. Act respectfully. PUNISH offenders. Too many times people are just told off. Police officers, MC and cars just completely ignore traffic offenders (the most visible manifestation of the RGP) Be more human. speak normally.
717	SOLELY CONTINUE IN CLOSE HANDS WITH THE PUBLIC, QUERIES AND CONCERNS
OL373	Some of them need to be more human towards young people
428	some officers should be less authoritarian when speaking with the public. Even when ...someone off, a pleasant manner achieves an awful lot more, even if you are booking them. The high and mighty attitude is not pleasant in an officer.
292	SOME POLICE DO THEIR DUTY BUT AFTER A FEW INCIDENTS SOME ARE NOT TRUSTED. POLICING IS DEDICATION AND NOT JUST FOR THE SALARY
520	SOME POLICE OFFICER CAN TALK LIKE BULLIES

286	specially with the disabled bays. No consideration by some drivers ....park in these areas. People who still use a deceased relatives permit
41	speed cameras all around gib. More speed bumps. Id like to see officers outside schools to check on parents with dogs leaving the shit behind
OL391	Speed cameras should have warning signs not a policeman hiding behind, so they can stop someone for speeding!
OL504	Start arresting some cigarette smugglers and deporting them back to Spain
OL258	Stay at home
516	STAY OUTSIDE CLUBS MORE ON FRIDAY NIGHTS. BE AWARE OF ALCOHOL TO UNDERAGE DRINKERS
165	STOP BEING COCKY, AND ACTUALLY KNOW THE LAW
627	stop corruption within. Talk to epeople more. Be more colegas with society
712	STOP MORE DRUNK DRIVERS ARREST MORE PEOPLE. BE MORE STRICT WITH UNDERAGE DRINKING
369	STOP PICKING ON THE UNEDUCATED AND TEENAGERS, AND DEAL WITH KNOWN CRIMES/CRIMINALS
OL288	Stop the smuggling
78	stop tobacco smuggling and enforce laws always
339	stopping big crimes, for instance instead of going after the people who supply drugs to people on te street, go after their bosses who will have a bigger quantity and are the ones causing problems
OL442	Tackle issues that affect the community ie dog fouling and smugglers loitering outside notre dame school!
694	TAKE CASES SERIOUSLY
OL369	Take their job seriously, look at their general appearance and their professionalism. We all know who the offenders are, do something about them!
310	that they treat each case differently as no case is the same and not sound fed up when the same people call them because of the same problem. When we call the police we expect a quick reaction not them deciding whether it is iimportant or not and sometimes take a while to attend. if we call its because to us it is important!
OL471	The attitude of some of them could be better
126	the continual use of social skills and approachability will never be wasted
56	the law should be equal for everyone is it also equal for the spanish fishermen?
218	THE ONLY ISSUE I HAVE IS THAT OF THE SPANISH FILLING UP THEIR CARS OR MOTORBIKES ANYWHERE IN ESTATES, BORDER ETC. IT MAKES GIBRALTAR LOOK BAD. THE LOOK WHEN YOU GET TO THE BORDER IS A DISGRACE ALL THE MATUTEROS THERE
22	the police are stretching resources of man power. Unfortunately not enough man power to cover need more officers to cover daily duties so they are not stretched for exmple they attend an incident and leave in a hurry to do next job as they are called to go elsewhere does not look good to the senior citizen or child who needs extra reassurance but the officer has to rush off to another job as there is not enough man power (not that he has to stay for a cup of tea)
693	THE POLICE COULD IMPROVE THEIR SERVICE TO THE COMMUNITY BY PUNISHING EVERYONE WHO IS SPOTTED GUILTY REGARDLESS OF THEIR RACE AND ALSO THEY NEED TO FIGHT AGAINST RACISM, WHICH IS A BIG PROBLEM IN GIBRALTAR - SOME PEOPLE DO NOT ACCEPT YOU WITHOUT ANY REASON ONLY BECAUSE YOU ARE DIFFERENT FROM THEM.
229	the police facebook page has improved, I feel relationship btween public and police - they need to maintain it to sustain the relationship
OL293	The police have to learn that they are doing a service to the people and as such need to work with the public. The behaviour recently has been power going to the head and they seem to forget what their job is - above all to prevent crime and enforce the law! I think losing the older police and employing young and untrained and lack of experience is showing the reason for the degrade of policing.

Reference Number	How do you feel the police could improve their service to the community
495	the police should be more vigalant on the roads, and take complaints from people because of wreckless driving more seriously
287	the sense of security one gets on seeing police patrolling in couples is great - more of this - in main street especially. This was an old custom.
137	the should be more policemen in the streets and there should be more security. Be more aware of people who sell drugs
10	the use of more cctv, high viz policing of antilitter and doug fouling around gib
371	THERE IS A LOT OF TOBACCO SMUGGLING ACROSS GIBRALTAR. IT IS MORE VISIBLE NOW THAN EVER. I SEE THIS ALL THE TIME AROUND LANDPORT, LAGUNA ESTATE. ONCE I EVEN SAW A POLICE OFFICER LAUGHING WITH A GROUP OF INDIVIDUALS WHO WERE AT THE TIME LADING THEIR CARS WITH CIGARETTES. IT SEEMED AS IF THE OFFICER DIDN'T WANT TO CONFRONT THEM AND HE THEN WALKED AWAY. IT DOES NOT REPRESENT A GOOD IMAGE OF GIBRALTAR. THERE NEEDS TO BE MORE CONTROL. I DONT FEEL SAFE ANYMORE! WE NEED MORE POLICE OFFICERS ON THE STREETS PERMANENT, AND OFFICERS NEED TO CHALLENGE INDIVIDUALS WHO THEY BELIEVE ARE DOING SOMETHING UNLAWFUL.
2	there is always room for improvement
OL601	THERE IS ALWAYS ROOM FOR IMPROVEMENTS ESPECIALLY WITH THE SITUATION VIS A VIS SPAIN. THERE HAVE BEEN SOME SITUATIONS WERE COMPLAINS HAVE BEEN HEARD ABOUT DIFFERENT TREATMENT RECEIVED ON TRAFFIC OFFENCES BETWEEN SPANISH AND LOCALS. ALSO THE VIOLENCE BEING EXPERIENCED DUE TO THE TOBACCO TRADE.
635	there should be stricter requirements for police officers to enrole in order to create an elite police force that minimises cirruption, laziness and ignorance
470	theres always room for improvement
650	THEY CAN BE MORE INVOLVED WITH THE YOUNGER GENERATION
642	they could be stricter with underage drinking and road safety
637	they could improve by enforcing more laws like careless driving
552	THEY COULD INSTALL SPEED CAMERAS
OL592	they could make their presence more well known as we often walk the length of town without having seen a single PC.
536	THEY COULD PATROL THE ROADS MORE OFTEN AT NIGHT TO REDUCE DRINK DRIVING AND SPEEDING. THEY CAN BE MORE FORTHCOMING AND VIGILANT ALWAYS
501	they could try and reinforce to bars in gibraltar the age for drinking and make sure they always ask for ID
OL271	They need to be seen around areas like estates so that the public get closer to them and kids get use to the idea that that person will help you when you need help,but will also stop you when you are a bad boy,girl.
OL581	they need to listen more to the facts that they are given and not discriminate between gibraltarians and non gibraltarians
513	THEY SHOULD CONTROL SPEEDING AND UNDERAGED DRINKING
OL600	They should learn from English police some good mannes
OL314	They should serve the community and do what they are paid to do
OL549	Think the police clinics are a great idea
OL473	To be more proactive and achieve results. Protect people that are law abiding. There are plenty of things that you see day in and day out which are frustrating.
OL281	to be more visual in estates!!!
OL228	Treat all as equal and start issuing on the spot fines. A car registration recognition camera at the frontier to stop anyone from leaving Gibraltar without paying any fines due. I know people who collect Gib fines and stack them in a drawer. I should go get a Spanish registered car. But most of all protect your citizens, what happens here on land/sea is nothing compared to what happens in other parts of the world, our police should be able to deal with these issues.
OL307	Try and belong to the community, and stop treating people the way they do, they work for the community, however no one has told them they do!
473	try and communicate and help the youth in a supportive way
OL427	try concentrating on real crimes, stop arreting kids because you havent got guts for anyone else :)

242	we have a big problem with dog fouling in the calpe area where ppl do not pick after them
OL311	We need more police officers in the street and less progressive ideas consuming police time such as tweeter etc
373	WE NEED TO IMPOSE MORE FORCE ON THE RECENT ISSUES WITH OUR SPANISH COUNTERPARTS AND TOBACCO SMUGGLING. NOT ONLY IS IT TAKING OUR FACILITIES BUT IT IS GIVING GIBRALTAR A BAD IMAGE.
288	WHEN OFFICERS CHANGE THEIR BEAT SOME SHOP OWNERS PREFER THEM TO INTRODUE THEMSELVES AND NOT TO JUST PASS THEM BY
710	WHEN THINGS ARE REPORTED LOST THEY GIVE A LONGER A PERIOD, NOT JUST 2 WEEKS. UNDER AGE DRINKING/SMOKING AND DRUGS CONSUMPTION IS A SERIOUS PROBLEM.
86	where there is a serious problem with dog fouling, police should target these areas to eradicate the problem
74	why do the police not stop shoppers who remove shopping trollies from morisons (approx cost of trolley £175). Yet ppl get arrested for stealing a bottle of wine/whisky etc (approx £10) too many companies have the long term loan of morrisons shopping trollies
215	WITH MORE POLICE OFFICERS AREOUND ESPECIALLY IN MAIN STREET
OL330	With regards to ongoing problems with antisocial behaviour and would prefer to deal with one or two officers who are familiar with the problems, rather than different officers every time, especially when they are young and inexperienced as at times this has made matters even worse. I also think when you have ongoing issues they should be considered as a whole instead of individually each time. The introduction of Antisocial behaviour orders would be good. With regards to under age drinking, I think the police could be far more proactive to stop the culture of minors being drunk on our streets.
634	work harder
444	would like to see more patrols by/near airport and frontier, especially where tobaco is being sold in large queantities to people who are then transporting this across the border on bicycles/bikes

374	1. DOG FOULING - I HAVE NOTED MANY AREAS WHERE DOGS FOUL AND SO MUCH FOR FINING DOG OWNERS. 2. I AM VERY HAPPY WITH THE DRINK/DRIVING MOTTO BUT TRANSPORT (TAXIS/BUSES) SHOULD BE AVAILABLE DURING THE SEASON AS COLLEAGUES LIVING IN THE SOUTH DISTRICT HAD TO WALK HOME AS NOTHING IN THE TOWN AREA FOR TRANSPORT HOME IN THE LATE HOURS. 3. LOADING/UNLOADING AND OTHER VEHICLES IN MAIN STREET EARLY IN THE MORNING SHOULD START AS FROM 9AM AFTER THE SCHOOL RUN
465	accountability has improved exponentially. Complaints are given prompt attention and result in rapid resolution this is good. However. I feel that human resources are somewhat unequally distributed. Visibility is a core necessecity so I would like to see morepresence in the town area especially during the day, main street especially. perhaps a greater number of PCs should be based at CPS from each shift and deployed from there, N mole House is somewhat decentralised as a main station, quick response is essential and is difficult to achieve from NM House to ...and frontie, with any degree of acceptance on emergencies, ....force training is also somewhat slack. otherwise a very good service
162	ALL INDIVIDUALS SHOULD BE TREATED EQUALLY ND THE LAW APPLIED REGARDLESS OF WHERE THE INDIVIDUAL IS FROM. SOME POLICE OFFICERS NEED TO IMPROVE THEIR PEOPLE MANAGEMENT SKILLS
428	annual workshops for officers in approaching public should be mandatory. Attitudes can be a problem. CCTV should be implemented at least in confict areas and where vandalism is highest
78	antisocial behaviour associated with tobacco smuggling becoming a big problem, this activityis attracting unsavoury characters into gib. Believe fishing dispute has made some ppl lose credibility ion the police
218	APART FROM THE TOBACCO I BELIEVE THAT THE POLICE HAS IMPROVED. THERE IS MORE INVOLVEMENT IN ESTATES. THERE IS MORE CONCERN ON TRAFFIC SO YES I BELIEVE THERE HAS BEEN AN IMPROVEMENT
221	APART FROM TOBACCO SMUGGLERS I THINK THERES QUITE A LOT OF PEOPLE ESPECIALLY YOUNG, USING DRUGS AND ALCOHOL, I THINK THIS SHOULD BE ADRESSED AT SOURCE. WHERE ARE THE DRUGS COMING FROM? I DO BELIEVE THE SITUATION IS BETTER BUT OF COURSE WITH ROOM FOR IMPROVEMENT. ANOTHER THING THAT BOTHERS ME A LOT IS THE AMOUNT OF BLACK PLASTIC BAGS THAT ARE LEFT BEHIND AFTER THE SPANISH PEOPLE HAVE HID THE TOBACOO. THEY JUST THROW THE BAGS ON OUR STREETS! DOG FOULING IS ANOTHER CONCERN!
184	AS A LAW ABIDING CITIZEN AND SOMEONE WHO IS NOT WITHIN CIRCLES OF A DUBIOUS NATURE, IT IS DIFFERENT TO JUDGE, INDEED EVEN FAIR, THE POLICE FORCE. PERHAPS IF YOU INCLUDED COMPARITIVE AND MEANINGFUL STATISTICS PEOPLE COULD SEE OR GAIN AN IDEA ON WHICH TO FORM AN OPINION
62	as a retired mtropolitan police (UK) officer I find that the standard here of dress and appearance are very poor. What is more we seldom see policemen
120	bring back the police force prior to wink and yome. These two have rid the force of the professional officers who were seen in our street and who at least connected with the general public. The present commissioner is more concerne4d with PR exercises on the media as opposed to prodicing results. in my view they are a complete shamble
61	carry on the good work
368	CONCERNS. 1. NOTED MASSIVE INCREASE IN DOG FOULING; PARTICULARLY BAD IN WATERPORT TERRACES AREA, VARYL BEGG, MID HARBOURS ESTATE AND ROAD INTO COALING ISLAND. 2. SIGHTED LOTS OF SPANISH PLATED CARS HIDING IN CAR PARKS IN QUEENSWAY, COALING ISLAND AND LANDPORT CAR PARK STASHING CARTONS OF CIGARETTES INTO CARS AND THROWING BOXES AND PLASTIC BAGS ON THE ROAD - NOT A GREAT IMAGE FOR OUR CHILDREN OR TOURISTS. 3. BUS DRIVERS AND AT TIMES TAXI DRIVERS NOT RESPECTING GIVE WAYS AND BULLYING THEIR WAY BACK ONTO MAIN ROAD. 4. GREATER LINEANCY WITH PARKING TICKETS ON DAYS WHERE MAIN CAR PARKS ARE CLOSED FOR CLEANING!
155	COURTS ARE TOO LENIENT WITH LOCAL OFFENDERS. FAR MORE SHOULD BE DONE TO DEPORT FOREIGN SERIOUS OFFENDERS WHO ARE IN AND OUT OF PRISON. THE POLICE SHOULD TAKE THE LEAD ON THIS AND PRESENT A CASE TO THE GIBRALTAR GOVERNMENT.

146	gibraltar is a safe place but we must not be complacent, I see that the young moroccan community could pose a problem in our community which have not experiences in the past an eye should be kept on this especially around cornwalls area
86	gibraltar is generally a safe place with little crime so the polic should be commended for the job they do to keep us safe. All that is required is for one person on the corridors off baay view terraces and drop an explosive device as the truck goes by and has to slow due to the motrobikes parked on the yellow lines. the ammo trucks should travel though dockyard road and not a built up area as this is the case. i know its nto a daily thing.
755	have a good day
113	I also think that on occasion police officers need to keep their adrenaline much in order to help them have a clearer lead when attending certain problems. Sometimes to prevent an escalation in a situation common sense in the best policy which unfortunately isnt always the case. not quite sure what the pupose of district offices are for apart from a general tea and takeaway room

165	I AM INSURED TO DRIVE MY SISTERS BIKE. I HAVE A FULL LICENCE. I WAS STOPPED BY A POLICEMAN WHO SAID I WAS NOT ALLOWED TO DRIVE THE BIKE AS MY NAME MUST BE ON THE LOG BOOK, IN ADDITION TO EVERYTHING ELSE. THE REASON THE COMMUNITY IS LOSING FAITH IS BECAUSE YOU EMPLOY SUCH INCOMPETENT POLICE STAFF
271	I AM PROUD WITH THE POLICE SERVICES
484	I believe drugs are a big problem, because to any puiblic or provate event I attend to there are many people who have consumed highly illegal drugs
170	I BELIEVE MR YOME IS DOING A GOOD JOB
240	I believe the police has been rather strained in the last year due to their resources being employed in maritime problems and this could be attributed to the fact that there are times when other polic concerns are having to be set aside e.g. road watch etc. i do not see the point of getting further police launches if the necessary manpower to operate same is not available
474	I believe there is a lot of underage drinkers which get our of control. This is a major problem on nights out. The most concerning place is the club "ICE"
40	I feel police officers and the secret servoces should be investigated very often
23	I feel strongly that a practical dricing test should be enforced for over 70s. It is iseless checking eye sight and asking a few questions when the driver has a very weak for want of a better word, reflexes. I have actually been a passenger in a 75 yr olds car. after the driver mounted the kerb several times and didnt give way at a roundabout plus other things. before the driver does any fatal damage a practical test is necessary.
417	I HAVE A CONCERN AS TO HOW LOST PROPERTY IS HANDLED BY BOTH NEW MOLE HOUSE AND IRISH TOWN. IN BOTH LOCATIONS OFFICERS GAVE INFORMATION TO THE EFFECTTHAT ITEMS FOUND COULD NOT BE CLAIMED BY THE FINDER AFTER 6 MONTHS. I BELIEVE THE POLICE ACT 2006 ALLOWS THE FINDER TO CLAIM. NEW RECRUITS NEED TO BE PROPERTY TRAINED. IN THE ABOVE CASE A CHILD WAS TOLD ITEM FOUND WOULD BE DESTROYED EVEN IF UNCLAIMED. THIS LEAVE NO INCENTIVE TO A CHILD TO ACT IN A CIVIL WAY!! THE PUBLIC SHOULD CONSIDER PUBLISHING RULES ON LOST PROPERTY ON WEBSITES AND ALSO DISPLAY IN STATIONS. TRAINING NEEDS TO BE PRODUCED TO POLICE OFFICERS
60	I have a lot of time for the police and they do a good job in this small community. I am very proud of the RGP
204	I HAVE LITTLE CONTACT WITH THE POLICE, BUT THEY MOSTLY APPEAR TO BE SMART AND WELL INTENTIONED TO THE PUBLIC. IT IS HARD TO PLEASE EVERYONE BUT I DO FEEL IT HELPS TO BE A LITTLE MORE IN PUBLIC VIEW - BOTH FOR REASSURANCE AND AS A DETERREN AT TIMES. ALL IN ALL, YOU DO AN EXCELLENT JOB, OFTEN IN TYRING CIRCUMSTANCES
136	I hope this helps but to tell you the truth I don't have much connection with the police at all but in my opinion they do an ok job
11	I know manpower is a problem now why the roads and pedestrians are left completely on their own (double parking, on pavements, blocking wheelchair access, noisy motor bikes, etc.
242	I live in calpe area and unfortunately it is on very rare occasions the police are seen in this area
212	I THINK IT IS GREAT THE POLICE IS USING SOCIAL MEDIA TO BUILD RELATIONSHIP WITH THE PUBLIC. THE FACEBOOK CLINIC IS AN ACCOUNT IDEA! WELL DONE!
249	I think that more needs to be done about very noisy scooters and motorcycles and even fast noisy cars. No one seems to stop this annoyance
425	I think that not until we have speed cameras will we be able to stop more young people dying on our roads and stop the aggressive driving. Today 8/1/14 there were 3 police officers at the roundabaout near mid town harbours and they were chatting and not even looking at the traffi8c! so much for prevention. i have also seen 2 HEOs driving two motorbikes together and chatting! breaking the law?

265	just like police in spain do spot checks on alcohol so too on drugs. We don't seem to have this here other than when someone has been stopped for speeding. 219	MORE COMMUNITY POLICING. CLAMP DOWN ON MATUTEROS AND CAR PARKING SMUGGLERS. TEACH OFFICERS TO BE COMMUNITY POLICEMEN AT OUR BEACHES. 12	more control or control of pedestrianised areas in catalan bay and other places which are ...as parking by people who don't ebvven live there. Children play at these places in this time of the year. To control dog fouling in all parts of gibraltar and barking (because the animlas are left alone in the houses)
87	more crime is on the increase. The police are doing a fair job bringing culprits to justice. More police presence is and can be a deterrent in my opinion crime is a never ending subject I am sorry to say
426	more extensive and effective use of CCTV to ensure prompt action against unlawful and antisocial behaviour. i.e. moving ahead with technology to "nip issues in the bud".
65	more policing shoudl be carried out to spanish motorbikes with their careless driving all around gib. Nether motorbikes nor cyclists don't respect traffic lights nor cyclists driving bicycles up and down main street even wrong way and using foot paths for their own convenience, soeed checks should be carried out at peak times not at mid morning as you are doing,. thanking you in anticipation, keep up your good work
643	more should be done to help and protect members of gibraltar LGBT community and substantial sentences should be given to those who commit hate crimes
445	most of my concerns seem to be vehicle related. I rang the police recently to complain about scooters being parked in spaces reserved for cars or in between parked cars. Living bear st josephs school makes parking difficult at the best of times. However, i was told that as these restrictions had been implemented by the previous government, the new one has remporarily suspended the restruictions until they have carrie4ed out their own traffic management which has left the police irresponsible and ignorant scooter riders. it needs to be addressed please! and the even more arrogant nature of motorsists delivering and collecting children at st josephs school, making it impossible for residents to drive in, out or through the area. they act like they own the road!
41	my main concern is about the disables as I happen to have a siblin involved. People tend to use their disabled badges for their own use which is illegal and this is not right. also as a parent id like to see more police during nigh time cause my kids are getting bigger and i dont feel that gib is very safe during the nights. smuiggling tobacco on estates is getting out of hand and to any stranger wondering about and residents are not as safe as it was many years ago.

19	my priase goes to all the RGP marine Section who are risking their lives every day, trying to enforce the law in BGTW. They should have more resources, the have a lot of boats but little man power
114	need policing of drivers (may be use police out of uniform) and also policing of people who throw rubbish on the streets
72	noise pollution and exhaust pollution is generally not being addressed in a forceful manner. The polcie ar enot begin seen to patrol gibraltar on foot apart from town center
231	none at the present moment
93	not enough car drivers indicate at roundabout. Litter thrown from moving cars. Carrying dangerous loads on scooters or motorbikes. Mobile phones still being used by drivers of cars
104	on the whole, our society is reasonably law abiding and safe from serious crime. But we have to watch out against pety lawlessness such as littering reckless driving especially motor scooters overtaking on the wrong side. Concerning dog-fouling, although most owners act responsibly, a few do not. outside 12 prince edwards road, a large dof often does his business, and i have often had to throw a bucket of water to wash away the mess. also, despite there being litter bine nearby, people regularly throw away empty potato crisp packets on the street,. i receommend CCTV to catch the .....
526	OVERALL THE RGP IS WELL CONDUCTED AND VIGILANT
536	OVERALL THEY ARE GOOD. HOWEVER THERE ARE CERTAIN ASPECTS THAT CAN BE IMPROVED
254	PC 170 has been very helpful this year to me. Thank you
467	pelican crossings by watergardens should have longer time allocated for crossing. Road is very wide and many people especially the elderly are only half way when lughts startto change. Many motorists cross the zebra crossing as soon as amber lights start to flash, even though pedestrians are still making their way across. a Pelican crossing is needed on way down to ragged staff gates
111	penalties for vandalism should be increased. Especially on graffiti or w are going to end up just like most european capitals. Take a look at rome
310	people not picking up dog mess should be fined! This has been relaxed. Spanish regustared cars parked in residential areas to be fined as us Gibraltarians would be
714	PLEASE TAKE INTO CONSIDERATION THE FACT THAT LA LINEA GITANOS JUMP THE FRONTIER FENCES DAILY - THIS IS AN OFFENCE IN TERMS OF BOTH INTERNATIONAL BORDER LAWS AND DRUG SMUGGLING. THE FENCE SHOULD BE REBUILT AND SHOULD BE UNDER GUARD BY OFFICERS ARMED WITH RUBBER BULLETS TO SHOOT OFFENDERS
469	Please. Install cameras to survey speeding and dangeours driving, and convict them, 2. harder clampdown nn drink and drive. 3. harder clampdown on drugs offenders. 4. no cover ups. I repeat you are not here to be popular, you are not here to be popular, you are payed to do a job and keep us as safe as possible. thank you
627	police have to get their act together and stop corruption within, this will improve gibraltar
553	POLICE SHOULD TAKE MORE CONTROL OF CLUBS AND THE MAJORITY OF NIGHTCLUBS IN GIBRALTAR LET IN UNDERAGE YOUNGSTERS THAT THEN HAVE ACCESS TO ALCOHOL
352	RECEPTION AT NEW MOLE HOUSE POORLY MANNED HARDLY NO ONE AVAILABLE TO ATTEND PUBLIC WITH AN EXCUSE THAT THEY ARE BUSY. RECEPTION SHOULD BE MANNED AT ALL TIMES AND ATTENDANCE TO CRIME SCENES SHOULD NOT TAKE LONGER THAN 10 MINS IN GIBRALTAR
288	SEEING OFFICERS DOING ROUTINE WALKS WITH THE NEW TRAINEES AND HAVING SEEN THEM IN ACTION - ESPECIALLY WHEN SOME PARENT LOVES THEIR CHILD SHOWS THAT - AT LEAST IN THE TOWN AREA POLICE RELATE WELL WITH PUBLIC. SADLY, IN THIS LAST YEAR, SOME COPS WOULD DO WELL WITH TRAINING WITH SUICIDE ISSUES. AT LEAST, EMERGENCY SERVICES FOR THE DEAF AND HARD OF HEARING HAVE BEEN ACCESSED TO
159	SIR, I BELIEVE THAT SOME POLICE OFFICERS SHOULD HAVE MORE TACT AND GOOD HUMOUR. SOME OFFICERS BECAUSE THEY WEAR A UNIFORM THINK THAT THEY ARE ABOVE THE LAW
308	thank you for all your hardwork
42	thank you for the opportunity to address my comments
311	thank you for the safe keeping of our town
632	the gibraltarian police are the best police I have ever dealt with

Reference Number	General Comments
453	THE NEW RECRUITS SEEM TO BE GETTING SHORTER AND FATTER WHICH MEANS THAT YOU CANNOT IMAGINE THEM RUNNING AFTER A BURGLAR OR EVEN WALKING FAR. I WOULD LIKE TO SEE THE POLICE AS IT WAS ABOUT 15 YEARS AGO WHEN YOU HAD TO LOOK UP TO THEM AND FELT THAT IF ANYTHING HAPPENED TO YOU THEY WERE THERE TO DEFEND YOU.
121	the parking in the castle road area leading in and out of the estate is a complete shamble, no parking signs and lines look very nice but are no good if not enforced. No police is ever seen in the area. There is a part of the road junction with tarik road that vehicles park blocking part of the road almost daily
48	the police are doing a good job and have a good visible presence. Gibraltar is a safe place to live/ visit compared to the UK in general.
140	the police could patrol more during day light and night time. Always the same thing going to everyday thank you. Varyl begg estate is in need of police patrolling day and night as motorbikes go wrong way and one day some one is going to get killed
260	the police could use their own discretion more
446	the police just walk the main street area. Are they frightened?
116	the tobacco sale in housing estates has gone from bad to worse, cars and motorcycle are speeding around laguna estate and coming in the estate without care and at speed if you dare look at them you will receive a thumbs up or worse. The situation is so bad that we have this problem every day including Sunday. although the chief minister said he was stopping this nothing has happened in fact a new shop has open 7 days a week at hood house. what permit hour. shame
88	there are people one especially undertaking works on vehicles, thus causing unnecessary noise and pollution, I have witnessed both RGP officers and HEO officers turn a blind eye, the reasons is they bring their own cars to be reported. This comment includes the commissioner Mr Yome and some other officers. stop picking on teenagers and instead of reporting them don't become cowboys and show or teach them how the manoeuvre should have been carried out, reporting them will only cause them not to trust the police
464	they and go after those teenagers that they know cause problems, ...trying to help them they make it worse and make a blind eye to many of the things that go around, then home etc are afraid of them
759	they should put more police in the town area in the night especially on Friday nights. Do something about speeding and reckless driving and not abuse authority
286	to set an example to my comments on driving to catalan bay one Sunday morning !a boat was parked in a disabled bay shame!" on another occasion again a Sunday morning a taxi parked in a disabled bay outside the senior citizens swimming baths. As the grua is no used on a Sunday, he only got a parking ticket, and stayed parked the whole day, shame again. i have more stories to tell but there is not enough room.
312	TOBACCO OFFENDERS SHOULD BE CAUGHT AT DIFFERENT SITES SPECIALLY AT LANDPORT DITCH IN ESTATES WELLINGTON FRONT ETC. THIS IS NOT VERY EDUCATIONAL ON OUR CHILDREN
294	TOBACCO SMUGGLING IN KNOWN HOTSPOTS SUCH AS CAR PARK AT FRONTIER AND ESTATES RENDERS AN IMAGE OF SOCIETY WITH IMPRESSION THAT SOCIETY CONDONES SUCH PRACTICE AND THE POLICE DOES NOT INTERVENE. THE SPIN-OFF CRIMES, DETERIORATION OF SOCIAL FABRIC AND OTHER, EVER-INCREASING, CONSEQUENCES ARE INEVITABLE. THE QUESTION FOR THE POLICE IS WHETHER THEY ARE DOING AND WHETHER THEY ARE DOING AS MUCH AS CAN BE DONE AND WHETHER THE SITUATION WILL GET INCREASINGLY OUT OF CONTROL
7	traffic along red sands road is increasingly congested, taxis/coaches double park and becoming very dangerous for in and outgoing traffic. This has been reported to police many times but a solution has not been sought. Grateful if this could be looked into before a serious traffic accident unfolds.
178	UPPER TOWN AREA POLICE POST IS CLOSED WHENEVER YOU WANT TO MAKE A REPORT. MORE POLICE VIGILANCE AROUND THE UPPER TOWN AREA MOORISH CASTLE/WILLIS' ROAD. ESPECIALLY AT NIGHT.
34	very good policing around Gibraltar sea waters
135	very happy with all police contact I have had. Excellent relationship with schools. Facebook clinic good idea
50	we need the community policeman at the estate's once a week.

Reference Number	General Comments
58	we should have more enforcement, especially in the estates and also to avoid careless drivigin especially at nigh time. And to control the vandalism.
85	well done
18	well done to the rgp officers manning the rgp crafts and have to go out daily on a difficulkt mission to face the gl launches. Our daily thoughts are with them and likewise with rn and defence officers
55	what I hear through the grapevine. There should be more arrests to spanish ppl eg. Incursions in the sea and other areas. I am quite aware that the police are under political pressure from our government,. They must follow instructions from senior policce officer and agree that police constables should cover their backs or risk losing their jobs, but if the situation is correct arrest the spaniards, do to them as they do to us!
126	when I think police force I see law protection and enforcement. When I see "policeman" I want unbiasegment, care, warmth and a smile. Take the "man" out of policeman and we have our own guardia civil. I am proouf of police services and hope never to go the way of the cold, callous rude and frigtening spanish. thank you for your time and care.
263	whilst not advocating a big brother state, I feel that there is a need for more cameras to be placed throughout gibraltar. I feel that speeding and indiscriminate use of our roads is an issue. I feel very strongly about dog fouling especially around the evacuation monument (the way into gib from the port). most importantly i feel that the RGP should spare no exparse at contacting drug suppliers - perhaps a bigger drug squad on a 7/7 basis. it i also extremely important that the RGP liaise with otehr law enforcmeent agencies, especially with HM Customs, when it comes to the matter of drugs smuggling, supply and use
454	WHITE SHIRTS TO COME BACK AGAIN. WHATS HAPPENED TO THOSE SHINY BOOTS WE USED TO SEE ON CONSTABLES. RESPECTFUL APPROACH TO THE PUBLIC. INSPECTOR SHOULD CHECK THEM WHEN GOING ON DUTY
44	why do you let scooter riders get away with so many traffic violations. Where are the traffic police
232	with regards traffic policing I feel the priority is that of drink driving, dangerous and careless driving and exceedinf the speed limit. Little attention, I believe is given to lesser offences which tend to be on the increase, I,e, unde the construction and use of motor vehicle and failing to maintain both to private and commercial vehicles alike. with regards to the environmental issues dog owners as myself would like action being taken on these owners who allow their dog's droppings to foul public places, not only the police but also the environmental dept. should tackle this problem that in most areas is out of control
169	WOULD BE EVEN MORE REASONABLE TO HAVE MORE POLICE PATROLLING GIB ESPECIALLY AT NIGHT
91	your police force is excellent thank you
43	zero tolerance on drug....should be enforced. Increase on worknig hours of traffic unit to cover after office hours. More specific campaigns needed e.g. domestic violence, effects of drugs, internet safety, etc, child abuse. More recruits from minority groups and women to be recruited. fitness tests for all pc's regularly
